Labour

Description

Row Total

Collect/recover vehicle.

Carry out race check over / service. Engine oil and oil filter not changed. Remove, clean and re-gap spark plugs. Fit front wing fixing. Strengthen fibre class front wings. Adjust both front wheel bearings. Supply and fit steering lock tab. Seal exhausts between primaries and secondaries on both sides. Fabricate bespoke stainless steel oil cooler guard. Deglaze front and rear brake discs. Replace front and rear brake pads to softer compound. (original pads in vehicle).

Install roll bar. Remove lap and diagonal belts. Install harness bar. Supply and fit race harness on both driver's and passenger's side. Drill and fit crutch strap eyelets to the underside of the seat. Supply and fit new mohair hood. Re cover side screens in red mohair. Modify tonneau cover to fit roll bar. Fit tyres on spare rims (John advised sizes). Road test vehicle.

£1,953.00
