SPIRITO IN MOVIMENTO

DAILY

Your DAILY at a glance

A new colour language:
IVECO Grey meets a touch of red

Fully digital cluster
and infotainment

Smart accessibility with
Keyless Entry & Go and selective
keyless door opening

Advanced driver
assistance systems

Born connected. Built to evolve
with over-the-air capabilities
from day one

Smart services for your daily work

Engineered for your success

Full driver protection
Safe in every situation and in all conditions.

First-class driving experience
More user-friendly, comfortable, stylish and immediately recognisable than ever.

Effortless driving
Traffic Jam Assist, Adaptive Cruise Control with Stop&Go and GSR-C with Advanced Driver Distraction Warning.

Ultimate versatility
Ready to follow your business even in the most demanding missions.

Born connected. Built to evolve with over-the-air capabilities from day one
Over-the-air capabilities help keep your IVECO vehicle up to date, enhancing performance and maximising time on the road.

IVECO Services for your daily work
Services designed to simplify your work and protect your business. Keep your day running smoothly and your vehicle productive.

Comfort and functionality

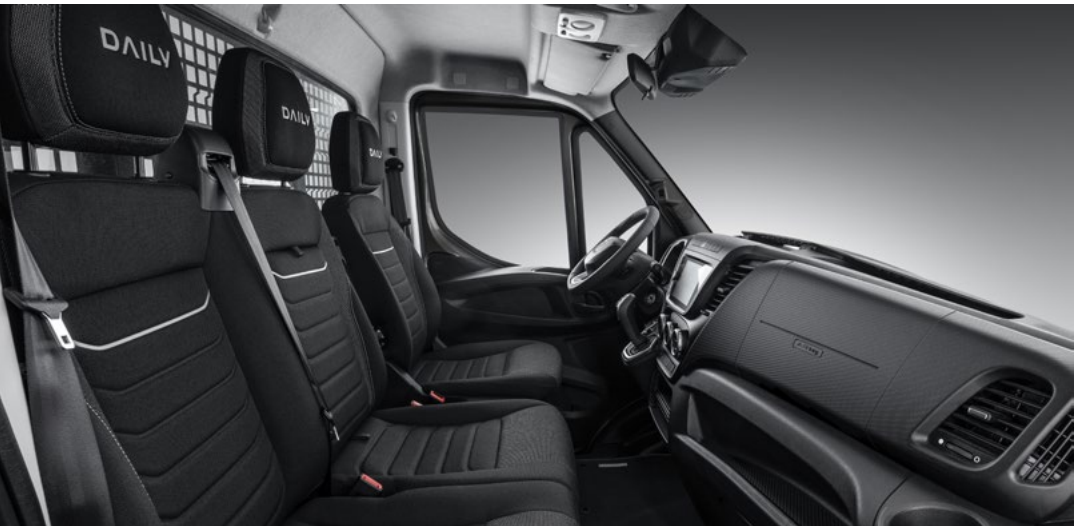

Stylish in all environments

The cab is designed around you, with a car-like dashboard and a host of new features and functionalities to provide a superior work environment with a user-friendly interface, so you can focus on doing your job comfortably.
The ADAS remote control simplifies the management of safety settings, enabling configuration according to the mission profile and applicable driving conditions.

Functional dashboard

The new dashboard with ready-to-use storage compartments is designed to make your life easy with phone and tablet holders, wireless charging and all the spaces for your belongings.

Configurable cluster

Easily read all your vehicle's information on the standard 10-inch cluster with a wide screen, larger font sizes and easy access to Remote Assistance Service. Choose from three layouts, easily switching with the stalk lever button.

Infotainment

Enjoy your life on board with the 10-inch high-resolution colour display integrated into the dashboard. Navigation is simple and intuitive, and you can link your mobile device with mirroring and use IVECO Driver Pal with the in-cab microphone. TomTom live navigation, over-the-air update and the new IVECO App Store are all available here.

DAB radio

You can easily interact with the new DAB radio using the 7-inch touchscreen display and voice recognition, and connect your mobile device.

Supreme seating comfort

The seat cushion, backrest and headrest in memory foam deliver more safety and comfort with a premium driving experience. The seat and levers are designed to facilitate frequent entry and exit, typical of delivery missions.

Hands-free entry & exit

Deliveries are fast and convenient with the new Keyless Entry & Go feature, consisting of keyless operation of the Daily's door locks and engine Start&Stop function.

Quiet workplace

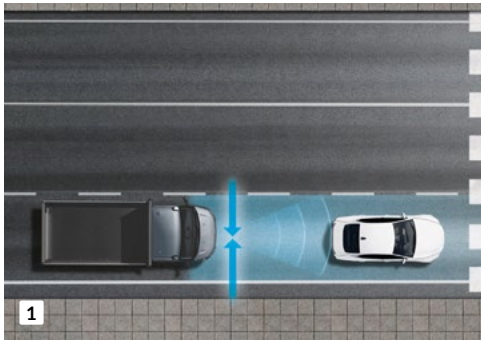

Enhanced in-cab acoustic comfort allows for a more relaxed and safe driving experience.

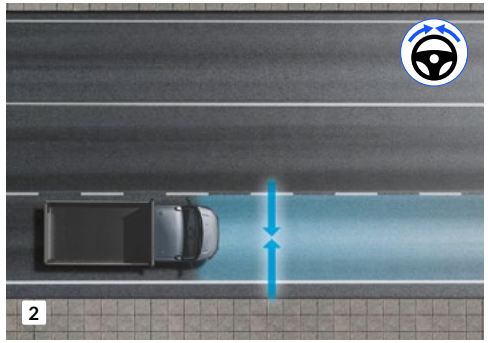

Effortless safety on the road

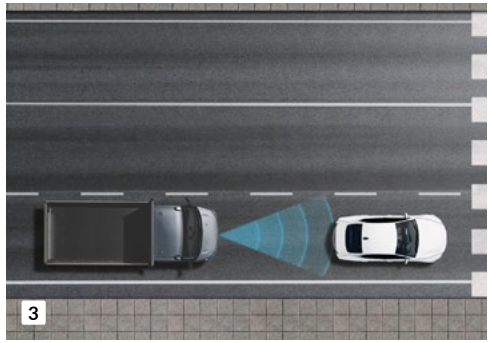

The Daily offers a safe and stress-free driving experience with a host of new Advanced Driver Assistance Systems that will make driving on the road and in traffic, manoeuvring and stopping for deliveries effortless.
The new ADAS are particularly valuable in urban missions, where they will help avoid possible collisions with pedestrians or cyclists.

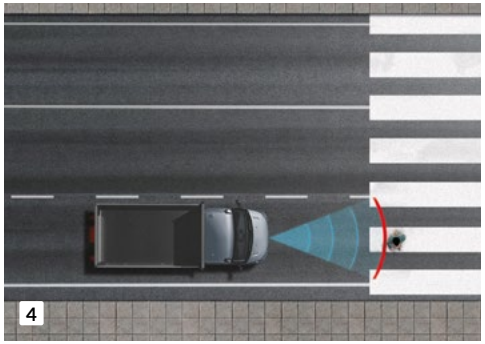

In addition, IVECO ON and the Professional Safety Report provide the data you need to monitor safety risks—you get actionable insights to improve driving behaviour, reduce accidents and lower insurance costs.

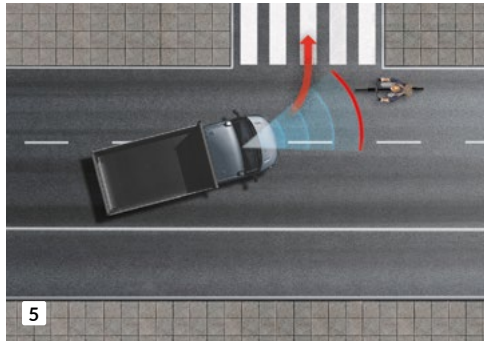

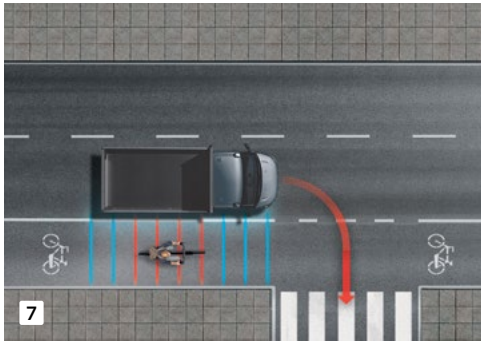

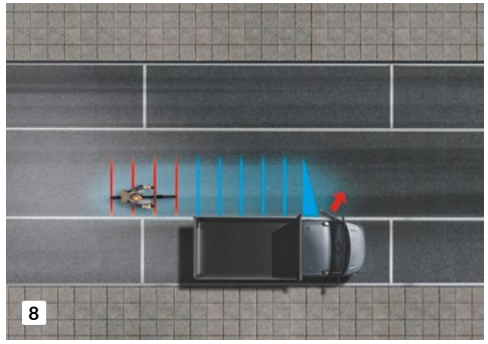

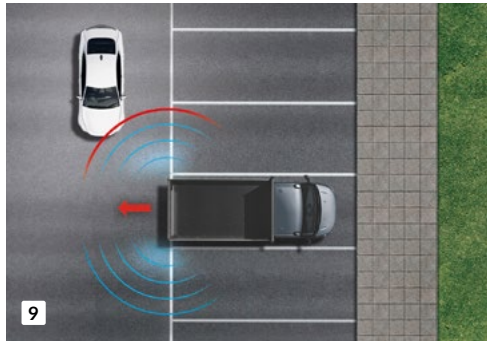

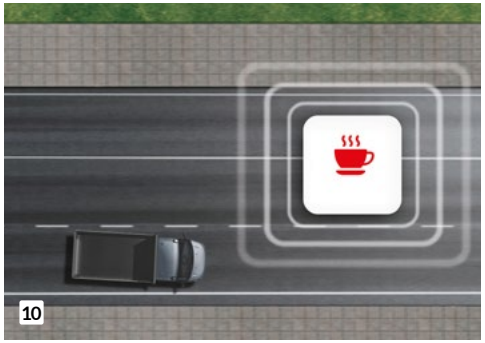

1 **Traffic Jam Assist**
Automatically follow the traffic flow and stay in your lane.

2 **Lane Centering**
Automatic steering to continually center the vehicle in its lane.

3 **Adaptive Cruise Control with Stop&Go**
Cruise safely on the road, automatically keeping pace and stopping with the vehicle in front.

4 **AEBS & City Brake**
Avoid collisions in city traffic and protect vulnerable road users.

5 **Turn Assist**
Turn safely, automatically braking to avoid collisions.

6 **Intelligent Speed Assist & Traffic Sign Recognition**
Always keep to the speed limit and keep safe with alerts and traffic sign recognition.

7 **Blind spot Information System**
Turn safely protecting cyclists.

8 **Blind spot & door opening warning**
Change lane and manoeuvre with confidence and open the door safely.

9 **Rear Cross Traffic Braking**
Reverse with confidence.

10 **Advanced Driver Distraction Warning (ADDW)**
Monitors the driver's attention and fatigue levels through a camera mounted on the driver-side windshield pillar. When signs of drowsiness, fatigue, or distraction are detected, the system issues visual and acoustic alerts.

Note: the ADDW camera does not record or store any video during driver monitoring and does not use any biometric data, including facial recognition, for its operation.

Get the job done whatever your mission

The Daily offers an extensive engine line-up, so you can choose the performance that fits your mission – you know you can count on the power, traction, load carrying capacity and quick response you need to get the job done efficiently and with low total cost of ownership.

Sustainably efficient

The double SCR technology ensures Euro VI-e and Euro 6EBis compliance.
The Daily's engines and after-treatment system are designed for fuel efficiency.

2.3-litre F1A engine

	Commercial name	Power (hp)	Torque (Nm)	Turbo	Gearbox

Superior Driving Comfort

A wide choice of rear suspensions, from the AIR-PRO pneumatic intelligent suspension to the new mechanical rear suspension that will enable a bigger payload.

AIR-PRO
The intelligent suspension

The air suspension provides a supremely comfortable ride with excellent stability, protecting you and your load. You are in control: you can choose the best set up, prioritising comfort or performance as needed. A dedicated switch on the dashboard and TFT graphics make it easy to manage the entire system at the touch of a finger.

HI-MATIC

Absolute driving Pleasure

Enjoy comfort, safety, fuel economy and performance with the exclusive 8-speed HI-MATIC automatic transmission. Enhance your driving experience even further with the new multi-function ergonomic lever with power selector.

Your sustainable drive

DAILY CNG
Your gas-powered sustainable partner

Reduce your carbon footprint – close to zero carbon with biomethane – and free your business to make unlimited deliveries in cities' low emissions zones and in regulated high-traffic areas, operating efficiently with the powerful and responsive CNG engine. And you can enjoy the absolute driving pleasure and fuel economy of the Daily HI-MATIC CNG featuring our exclusive 8-speed automatic transmission.

eDAILY
More than electric

Enjoy all the freedom of emission-free and noise-free travel with the same versatility, robustness, power and load capacity that are the hallmark of the Daily range. Choose the eDaily for your mission from the complete range available with all bodies and all conversions, knowing that you can count on top performance and maximum traction. More than a vehicle: the eDaily is an eco-system of interconnected solutions and services specifically designed to ease your way into e-mobility and seamlessly take advantage of all its benefits.

A vehicle for every specialty

The Daily is loved for its extreme versatility: whatever your mission, the Daily range has the perfect Daily cab for your operation – from tough jobs on rough terrains to transporting people and goods.

DAILY 4x4
No terrain is too rough

No delivery is too difficult for the Daily 4x4: you know you will reach your destination safely, however remote and difficult to reach.

Crew Cab
Your team on the job

The best way to transport your team and materials safely and comfortably, with the cargo space optimised so you can organise your materials just the way you need them to work efficiently.

DAILY 7 Ton
Your ideal partner

Twin wheels, 7.2t GVW, a choice of 6 wheelbases for a total vehicle length of over 10 meters: with its supreme versatility, the Daily 7 Ton is your ideal partner whatever your mission.

Chassis cab single wheel
The chassis cab single wheel, with body lengths up to 4,495mm, gross vehicle weight up to 3.5 tonnes and payload up to 1,700kg, offers strength and comfort combined with excellent bodybuilding flexibility.

Chassis cab twin wheel
The chassis cab twin wheel version is available in body lengths up to 6,190mm, gross vehicle weight up to 7.2 tonnes and payload up to 5,000kg. It stands out for its unrivalled robustness and versatility.

Crew Cab
The robust Crew Cab can accommodate the driver and 6 passengers, travelling in comfort.

Ready-to-use factory built body

IVECO offers a complete range of ready-to-use vehicles with equipment included - a vehicle you can count on to support your every day job, whether in construction or goods delivery, with the certainty of quality in every mission so that you can focus entirely on your business.

Ready-to-go solution

An integrated and versatile offer that enables you to find a road-ready solution (vehicle + body) at your dealership.

Extended value

The body design, engineering and production processes are in line with IVECO's high quality and durability standards. The vehicle's robustness and safety maximise the value transferred to you.

Time-to-market advantage

The production and logistics flows are optimised to reduce time-to-market and achieve the best delivery time for a bodied vehicle.

Complete Assistance

IVECO's widespread service network across Europe offers complete assistance on the equipment mounted on all Daily vehicles.

IVECO Services Solutions

At IVECO, we deliver mobility solutions that best meet your needs. Our goal is to help you reduce Total Cost of Ownership while increasing productivity by focusing on vehicle health and enhancing the driver experience, through an integrated portfolio designed to support your mission.

Uptime

Unexpected stops cost you. IVECO Uptime prevents them. Through continuous monitoring and remote diagnostics delivered by the IVECO Uptime Center and network, we reduce unplanned downtime by up to 24%.

Productivity & Efficiency

In transport, profitability depends on daily decisions. IVECO Productivity & Efficiency gives you the insights to make them. With vehicle data visibility and analytics, it helps reduce costs by up to 5% while improving safety, routes and compliance.

Driver Care

Drivers operate under constant pressure. IVECO Driver Care reduces complexity and cognitive load. Through voice interaction, connected navigation and real-time guidance, it keeps drivers focused. Accidents can be reduced up to 5%.

Safety & Security

Managing risk requires visibility and fast response. IVECO Safety & Security delivers both. Combining proactive monitoring, claims support and 24/7 theft assistance, it detects risks early and maximises retrieval, achieving up to 95% vehicle recovery.

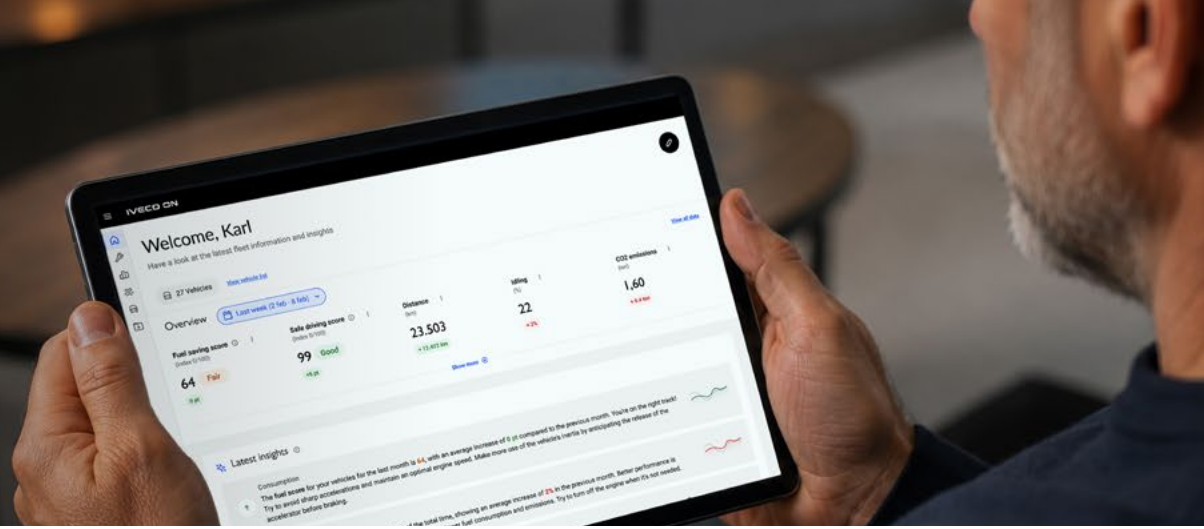

Parts & Accessories

Customise your vehicles and enhance life on board with our extensive selection of high-quality parts and services.

Connectivity

A smart way forward

Choose the connected solution that fits your business – from essential visibility to uptime support and advanced fleet insights. Add Premium services to tailor to your mission needs.

EASY
IVECO ON[ADMIN] + Easy App

Your smart start

Access IVECO ON[ADMIN] and the Easy App to manage your vehicles — with essential tools for vehicle administration, maintenance planning and daily operations, all within reach — anywhere, anytime.

SUPPORT
EASY + Uptime monitoring

Uptime first

Includes EASY, plus proactive vehicle monitoring through the Customer Uptime Center — enabling early detection of potential issues so we can act in advance and maximise your vehicle availability.

PERFORMANCE
SUPPORT + IVECO ON[PRO]

Your fleet under control

Includes SUPPORT, plus IVECO ON[PRO] for advanced insights to monitor vehicle performance and routes, reduce fuel consumption and improve driving style — helping you optimise efficiency across your entire fleet.

Premium Services: add more value to every mission

IVECO ON Web API

Integrate IVECO vehicles data into your systems.

Professional Safety Report

Promote safer driving and improve fleet safety.

Stolen Vehicle Assistance

Protect IVECO vehicles from theft with 24/7 recovery support.

Collision Claims Management

Simplify accidents handling with automated crash reports.

Driver Assistant

Get the best out of the 10" Infotainment with yearly extensions of connected content.

Repair & Maintenance

A well-maintained vehicle is more reliable, fuel-efficient and retains its value over time.
IVECO Repair & Maintenance helps you protect your productivity with a proactive, structured service approach. You benefit from expert support by certified IVECO technicians using dedicated tools, advanced diagnostics and up-to-date procedures—ensuring fast, precise interventions. All services use IVECO Original Parts, for consistent quality and long-term performance.

You can choose among pre-designed bundles or tailor your solutions combining the services and adding the coverages that better support your needs.

Combine the R&M services to build a contract tailored to your needs

Maintenance
Maintenance and lubricants, oils and fluid changes according to the Maintenance Plan as described in the IVECO maintenance schedule and vehicle documentation.

Wear
Covers clutch, brake pads, brake discs, brake drums or brake linings for drum brakes.

Driveline
Covers engine, fuel injection, gearbox, transmission propeller shaft and axle repairs.

Driveline Plus
Provides an intermediate level of protection, adding to the Driveline contract repairs to exhaust system, starter and alternator, other gearbox components, electricals and PTO Multipower.

Full Repair
Further raises the level of cover extending the Driveline Plus contract with repairs to the braking system (excluding wear components), clutch cylinder, suspension, heater, air conditioning, air compressor.

Your vehicle comes with Full Repair cover for the first year and Driveline cover the second year as standard.

Additional coverage

You can further customise your cover with additional options:

ANS 24-hour assistance
Roadside assistance service for eligible breakdown events covered under your contract.

Towing service
Tow truck service conveying to the nearest repair point for repairs covered by the warranty (Towing to the nearest authorised IVECO repair point).

Auxiliary batteries
Repair and/or replacement of batteries, including ANS 24-hour callout where covered under the maintenance agreement.

Oil top up
Engine oil top-up according to the maintenance plan.

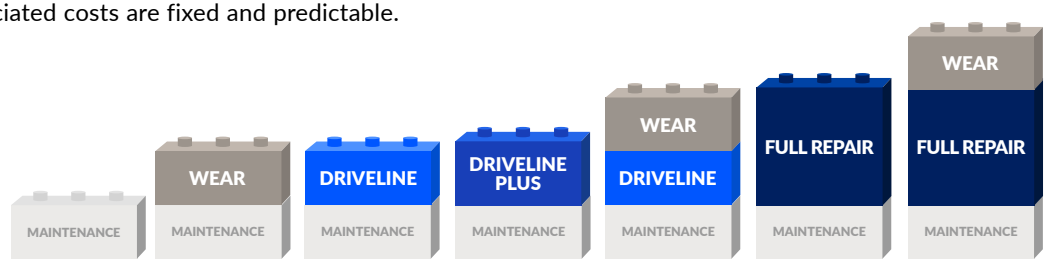

Light bulbs
Replacement of light bulbs and fuses.

Wiper blades
Replacement of windscreen wiper blades once a year.

Choose and combine to fulfill your requirements

You can choose the best service* levels for your business size and needs, knowing that the associated costs are fixed and predictable.

Assistance Non-Stop

IVECO Non Stop

IVECO Assistance Non-Stop is just a phone call away 24 hours a day, 7 days a week to keep your Daily and your business running.
IVECO Non-Stop is the original IVECO smartphone application that you can use to communicate with IVECO if your vehicle breaks down. Just insert your vehicle information (VIN and registration plate) and with a simple push of a button you can send a request for assistance to the IVECO Customer Uptime Center. We will take care of your request immediately, activate the nearest workshop and follow up on the vehicle's repair. Through the app you can receive updates on the progress of your vehicle's assistance.

IVECO CAPITAL

Financial Services
