

Leave Your Fears Behind

We believe the best way to appreciate your new purchase is for the driving experience to be worry free. As a result every car sold includes a Warranty Assist policy. This provides you with a comprehensive level of cover as soon as you take possession of your vehicle, allowing you to focus on enjoying the ride.

No matter how well a vehicle is maintained it is a fact that as cars age parts become more prone to failure. A warranty provides you with peace of mind that you will not be hit in the pocket should a sudden or unexpected failure occur.

All Warranties include

Parts & Labour contributions Including VAT

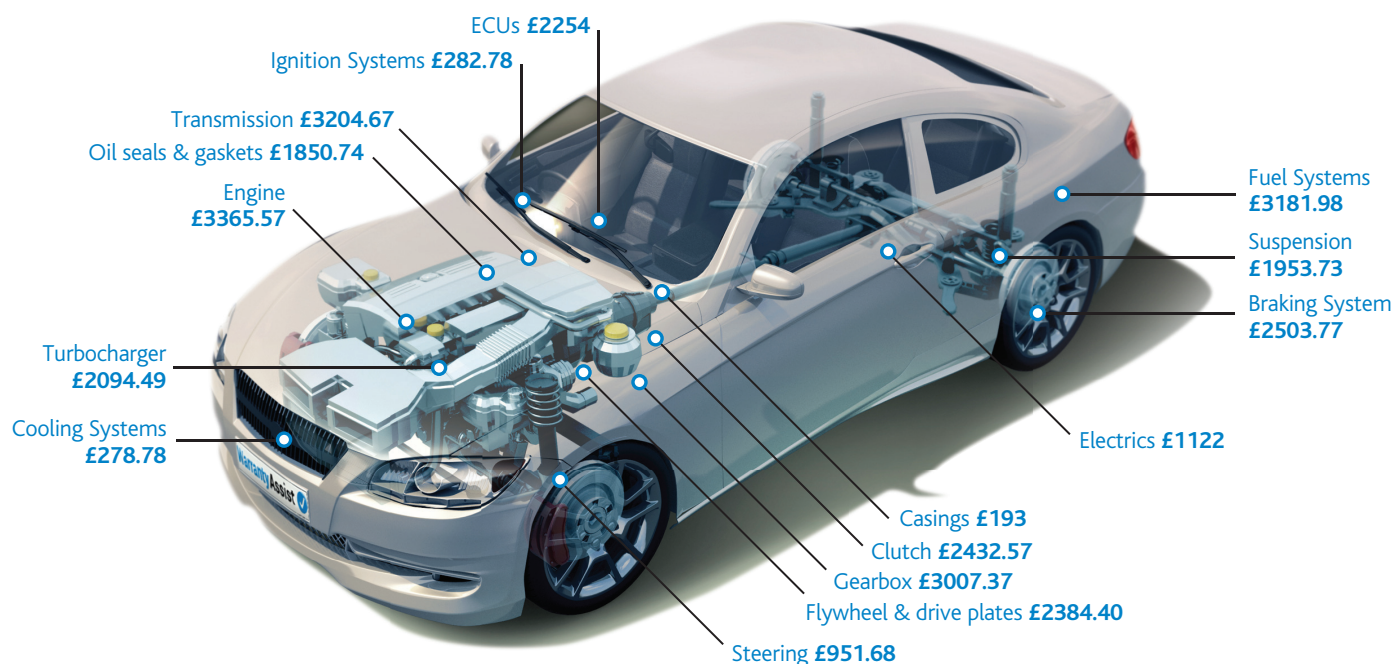

Cover for Listed Parts

Allowing you to be sure of exactly which parts you are covered for.

Diagnostic Costs

The labour time spent in identifying a fault, this can quickly add up.

The below repair costs are based on recent Warranty Assist reimbursements

Claim Limit - value of the vehicle

Covering you against even the most expensive failures.

Unlimited Number of Claims

Keeping you on the road should problems arise.

Roadside Assistance

The Warranty will cover up to £75 for a recovery, providing the component is a covered item

Overseas Cover

For up to 60 days per year

If you are planning on keeping the car longer we can offer reduced pricing on extending the initial warranty period. Contact Warranty Assist directly to find out how to do this.

Should you require coverage for additional extras such as air con, sat navs, catalytic converters and MOT cover we have a range **or** options available which can be included for a minimal cost.
