The Transporter Shuttle Brochure

Commercial
Vehicles

The Transporter Shuttle Where innovation meets everyday excellence

New era of passenger transport. For over three decades, the Transporter Shuttle has been the gold standard in professional and private passenger mobility. Now the 7th generation redefines what's possible in one iconic package.

Whether you're running a business, managing a fleet, or transporting family and friends in comfort, the Transporter Shuttle is designed to move people—and expectations.

Power meets possibility. Choose from a fully electric model for zero-emission driving, a plug-in hybrid for added range (coming in 2026), or refined diesel engines for long-distance reliability. Each option is engineered to provide a smooth, confident ride, whether you're navigating city streets or cruising the motorway.

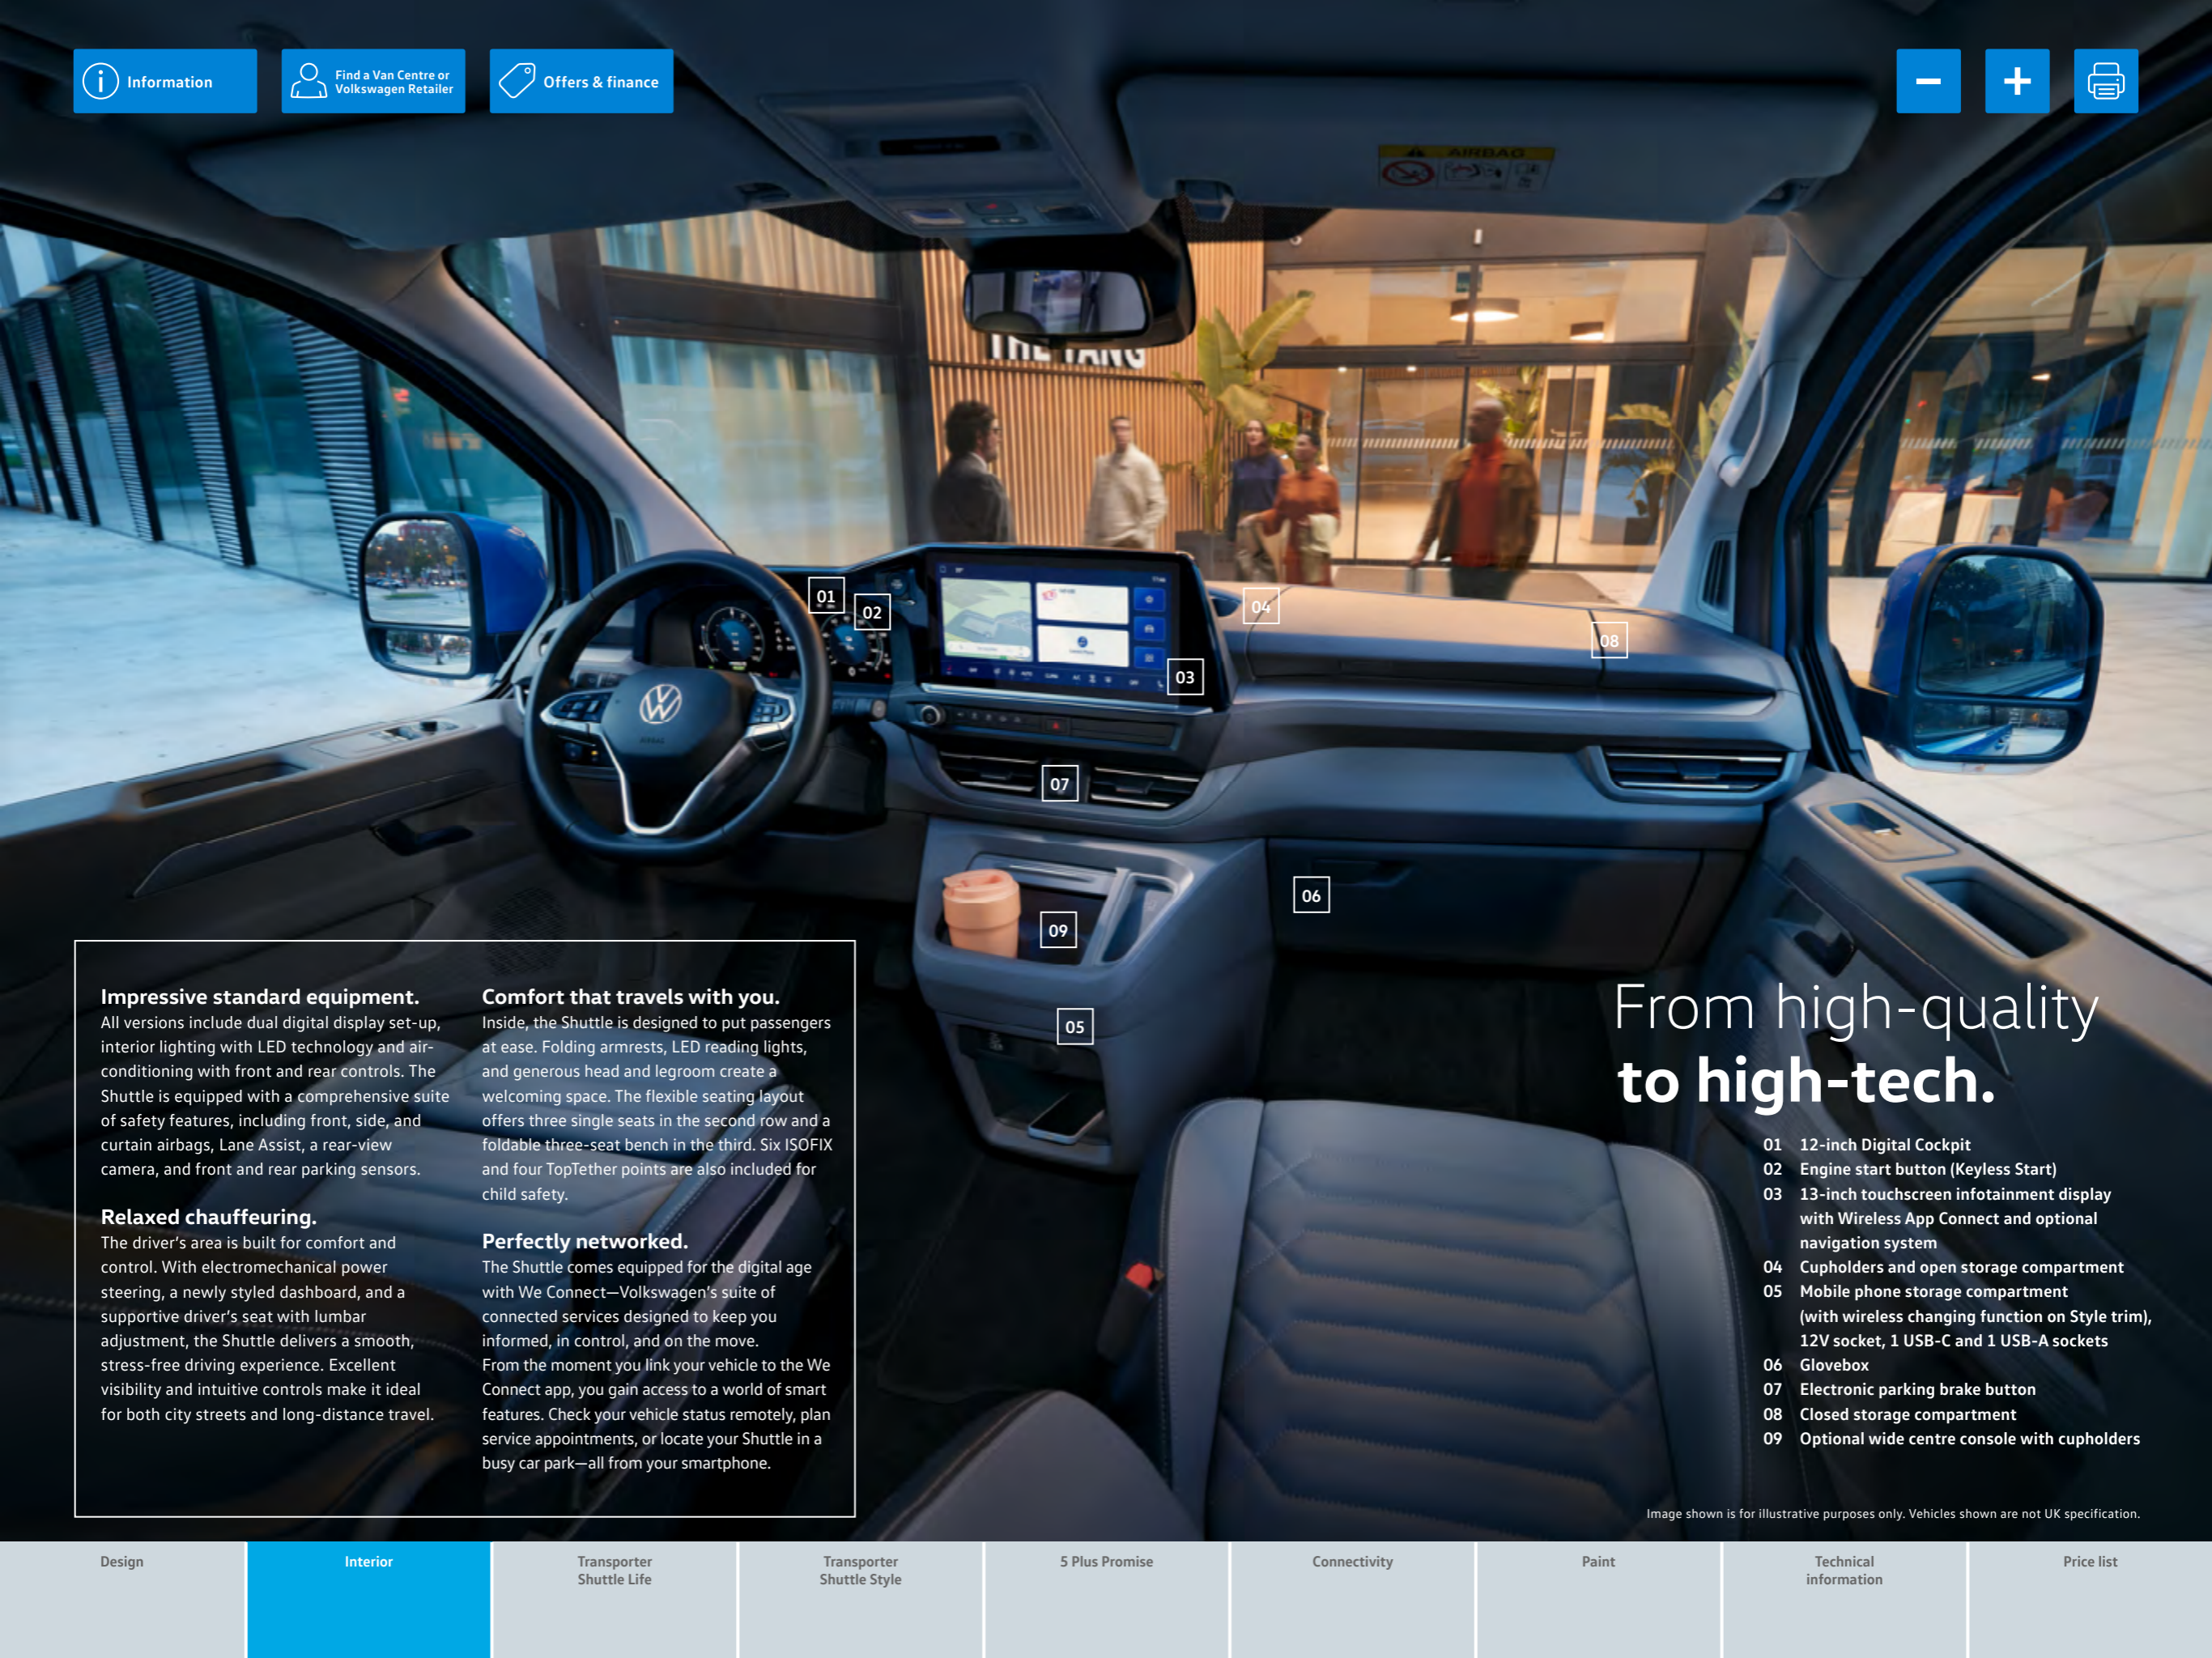

Style That Moves You. Outside, a bold new grille, LED headlights and rear lights, and a refreshed colour range give the Shuttle a modern, confident look. Inside, the Shuttle is a masterclass in intelligent design with space for up to nine passengers. Two wheelbase options allow for even greater flexibility, ensuring there's a Shuttle for every journey.

Technology that works with you. Step inside and you'll find a cabin packed with intelligent features. The digital cockpit includes a crisp 12-inch display, while the 13-inch infotainment system offers seamless smartphone connectivity. Passengers benefit from rear USB-C ports and enhanced climate control, making every journey more enjoyable.

Safety Comes Standard. Volkswagen's latest driver assistance systems are designed to keep you and your passengers safe. Front Assist, City Emergency Braking, Rear View Camera and side airbags are all included as standard. For added confidence, optional features like Park Assist and 360° Area View Camera provide extra support in busy or complex driving environments.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Design	Interior	Transporter Shuttle Life	Transporter Shuttle Style	5 Plus Promise	Connectivity	Paint	Technical information	Price list
--------	----------	--------------------------	---------------------------	----------------	--------------	-------	-----------------------	------------

Impressive standard equipment.

All versions include dual digital display set-up, interior lighting with LED technology and air-conditioning with front and rear controls. The Shuttle is equipped with a comprehensive suite of safety features, including front, side, and curtain airbags, Lane Assist, a rear-view camera, and front and rear parking sensors.

Relaxed chauffeuring.

The driver's area is built for comfort and control. With electromechanical power steering, a newly styled dashboard, and a supportive driver's seat with lumbar adjustment, the Shuttle delivers a smooth, stress-free driving experience. Excellent visibility and intuitive controls make it ideal for both city streets and long-distance travel.

Comfort that travels with you.

Inside, the Shuttle is designed to put passengers at ease. Folding armrests, LED reading lights, and generous head and legroom create a welcoming space. The flexible seating layout offers three single seats in the second row and a foldable three-seat bench in the third. Six ISOFIX and four TopTether points are also included for child safety.

Perfectly networked.

The Shuttle comes equipped for the digital age with We Connect—Volkswagen's suite of connected services designed to keep you informed, in control, and on the move. From the moment you link your vehicle to the We Connect app, you gain access to a world of smart features. Check your vehicle status remotely, plan service appointments, or locate your Shuttle in a busy car park—all from your smartphone.

From high-quality to high-tech.

- 01 12-inch Digital Cockpit
- 02 Engine start button (Keyless Start)
- 03 13-inch touchscreen infotainment display with Wireless App Connect and optional navigation system
- 04 Cupholders and open storage compartment
- 05 Mobile phone storage compartment (with wireless charging function on Style trim), 12V socket, 1 USB-C and 1 USB-A sockets
- 06 Glovebox
- 07 Electronic parking brake button
- 08 Closed storage compartment
- 09 Optional wide centre console with cupholders

Shuttle Life

From everyday to everywhere.

Highlights of the Shuttle Life

- Cruise Control with predictive speed limiter
- Front and rear parking sensors, with rear view camera
- Automatic air conditioning in the cab with manual conditioning in the rear, including control panel in the roof lining
- Anti-theft alarm system with interior monitoring and towing protection
- Driver and front passenger seats with manual height adjustment, lumbar support, and armrests
- Eight-seat configuration with durable 'Life' fabric upholstery and ISOFIX child seat anchors
- Rubber floor covering in cab and passenger compartment for easy cleaning
- Electrically adjustable and heated exterior mirrors with body-coloured door handles
- LED headlights with separate LED daytime running lights and LED rear combination lamps
- Sliding doors on both sides and wide-opening tailgate for flexible access
- Vent window in passenger front left and right

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Standard equipment of the Shuttle Life.

Exterior features
LED headlights with separate LED daytime running lights
High-beam control
LED rear combination lamps
Body-coloured bumpers in front and rear
Black painted exterior mirror housings and body-coloured door handles
Power-adjustable and separately heated exterior mirrors
Laminated windshield made of heat-reflecting glass
Fixed side window in load/passenger compartment, left
Fixed side window in load/passenger compartment, right
Heat-reflecting side window glass
Rear tailgate
Heated rear window
Rear window wiper with washer system
Sliding doors on driver side and front passenger side
Wheels
16" "Montreal" alloy wheels in Silver
Anti-theft wheel bolts
Tyres 215 / 65 R16 C 109 T
Steel spare wheel 215 / 65 R16 C maximum speed 120 km / h, without tyre pressure sensor, with jack; for 4Motion engines
Temporary spare wheel 155 / 70 R17 with jack
Mud flaps in front and rear

Cockpit
Seat trim covers in fabric 'Life'
2 single seats in front
4-way head restraints, adjustable in height and tilt
Manually adjustable 2-way lumbar support for drivers seat
Armrests for both front seats
3 single seats in 2nd row (fold & tumble) 3 passenger bench seat
3rd row (foldin g backrest) 4x ISOFIX and 4x TopTether
Leatherette-wrapped multi-function steering wheel
Gear lever in leatherette (for manual engines)
Black illuminated plastic scuff plate in cab
Narrow centre console with cup holder and compartment for mobile phone
Overhead storage compartment
LED light units for cab and passenger compartment
Climatronic in front, and manual multi-zone controls in the rear
Illuminated glove compartment with soft-closing lid
Illuminated, black plastic scuff plate on sliding door
Dimming breakaway interior rearview mirror
Rubber floor covering in cab and passenger/load compartment

Passenger compartment
2 LED lights in roof of passenger compartment
12-V outlet on D-pillar at the bottom, rear right
Grab handle on driver and passenger side, and on A and B-pillar in passenger compartment
Molded headliner, woven, in passenger compartment
Vent window in passenger front left and right
Infotainment and technology
12-inch digital drivers display
13-inch touchscreen infotainment display with Wireless App Connect and DAB radio
5G modem
10 loudspeakers: 2x dashboard, 2x cab doors, 2x roof in 2nd row of seats, 4x side trim panels in 3rd row of seats
7x USB sockets in cab and 6x USB sockets in passenger compartment

Safety and driver assistance
Parking sensors front and rear
Rear view camera
Dynamic Road Sign Display and wrong-way driver warning
Front collision warning with braking
Lane Assist
Anti-theft alarm system, interior monitoring, backup horn, and towing protection
Keyless Start with SAFELOCK
Driver and front passenger airbags with front passenger airbag deactivation
Side airbags and curtain airbags in cab and curtain airbags in passenger compartment
Cruise control system with predictive speed limiter
eCall Emergency call system
Single-tone horn
Electronic Stability Control (ESC)
Preparation for alcohol ignition interlock
4 tie-downs for securing goods in the passenger / load compartment
12-pin terminal block
55L Fuel Tank
Alternator 230 A
AGM vehicle battery 80 Ah
5+ Promise*
Driver alert system and driver attention monitor

*T&Cs: For diesel and eHybrid models, covers first 5 consecutive services, limited to 5 x Oil & Inspection Service, 5 x Pollen filters, 3 x MOTs. For electric models, covers first 3 consecutive services, 3 x Pollen filters, 3 x MOTs. Additional work, including wear and tear, is excluded. Warranty: earlier of 5 years or 124,000 miles. Servicing must be carried out in line with the requirements of the service schedule and all servicing and warranty work must be carried out at a Volkswagen Commercial Vehicle Authorised Repairer. Warranty exclusions apply (including shorter warranty period for components subject to wear and tear, mechanical adjustments (6 months/6,500 miles) and windscreen (1 month/600 miles). Roadside assistance: excludes costs of parts, garage, labour or other costs in excess of specified limits. Other limitations & exclusions apply. See Roadside Assistance Handbook for full details https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub_nfz/importers/gb/downloads/roadside_assistance_handbook.pdf. Servicing & MOTs administered by Volkswagen Commercial Vehicle Financial Services. Warranty administered by Volkswagen Commercial Vehicles UK. Roadside assistance administered by AA.

Shuttle Style

From comfortable to inspiring.

Highlights of the Shuttle Style

- Carpeting in the cab and passenger compartment
- 17" "Le Mans" alloy wheels in Silver
- IQ.Light LED Matrix headlights with Dynamic Light Assist
- Sliding doors with electric closing aid on both sides
- Privacy glass in rear
- Heated front seats with 'Style' leatherette upholstery
- Illuminated metal scuff plates and ambient footwell lighting
- 3-zone automatic climate control with digital rear panel
- Wireless smartphone charging
- Keyless Access with SAFELOCK

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Standard equipment of the Style (in addition to Life).

Exterior features

- IQ Light LED Matrix headlamps with coming home and leaving function
- Advanced high-beam control Dynamic Light Assist
- LED rear lights with exclusive light signature
- Body-coloured exterior mirror housings and door handles
- Exterior mirrors, power-adjustable, heated and power-folding with puddle lighting
- Heat-reflecting glass in front side windows, privacy glass in rear side windows and rear window
- Heated windscreen
- Sliding doors on drivers side and front passenger side with electric closing aid

Wheels

- 17" "Le Mans" alloy wheels in Silver
- Tyres 215/60 R17 C 109/107 T

Cockpit

- Seat trim covers in leatherette "Style"
- Heated seats, individually controllable
- Manually adjustable lumbar support in front seats
- Grab handle on passenger side, A-pillar
- Illuminated metal scuff plate in cab
- Footwell lighting in cab
- Selector lever for automatic transmission on steering wheel
- 3-zone automatic air conditioning system with digital control panel in passenger compartment
- Carpet floor covering in cab and passenger compartment

Passenger compartment

- Sunshades on side windows of sliding doors in 2nd row passenger compartment
- Metal scuff plate on sliding door, illuminated

Infotainment and technology

- Wireless mobile phone charging

Safety and driver assistance

- Keyless Access, with SAFELOCK
- Electric auxiliary heater (for vehicles with diesel engines)
- Washer fluid level indicator

Optional satellite navigation system

Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at www.volkswagen-vans.co.uk/en/configurator.html

The Transporter Shuttle Now with the 5 Plus Promise included

The Transporter Shuttle comes with Volkswagen 5 Plus Promise as standard. Featuring 5 services + 3 MOTs, 5 years' Warranty and 5 years' Roadside Assistance for added peace of mind.

5 PLUS PROMISE

5 SERVICES + 3 MOTs

5 YEARS' WARRANTY

5 YEARS' ROADSIDE ASSIST

T&Cs: For diesel and eHybrid models, covers first 5 consecutive services, limited to 5 x Oil & Inspection Service, 5 x Pollen filters, 3 x MOTs. We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

With Volkswagen We Connect¹ driving will now be even more digital. The We Connect¹ App connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect functionality

BREAKDOWN CALL

In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.

PARKING POSITION

The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.

SERVICE SCHEDULING*

With 'Service Scheduling*', your vehicle can automatically request a maintenance appointment when a warning light appears—helping you quickly find and book with a nearby Volkswagen Service Partner, saving time and keeping your Shuttle running smoothly.

EMERGENCY CALL SERVICE

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

LOCK & UNLOCK

'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.

DEPARTURE TIMES (EV AND EHYBRID)

In a plug in battery electric or eHybrid vehicle you can set 'Departure times' to ensure your vehicle is charged and air conditioned shortly before departure. Air conditioning can be personalised remotely and you can stop and start charging all through the We Connect app.

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. Free of charge contract term limited to 10 years, thereafter renewable free of charge and only limited in time to the reasonable technical provision. The contract can be terminated monthly. 2 Free of charge for the first three years when ordered with navigation system. There is an extra charge in the event of renewal once the free period has expired. Service scheduling * - only active warnings but no recurring service events or upcoming inspections are sent to the authorised workshop.

Charging data

Charging	Socket	Charge time approx.*
AC current – Domestic 3 pin socket (up to 2.3kW)	Type 2	33.8 hours 0-100%
AC current – Home wallbox or public charger (up to 7.4kW)	Type 2	10.5 hours 0-100%
AC current – Public charger (up to 11kW)	Type 2	7.1 hours 0-100%
DC current – Rapid charger (up to 125kW)	CCS	29.0 minutes 10-80%

Charging Made Easy
Your e-Transporter comes equipped with a 5-metre Type 2 charging cable as standard, capable of charging at speeds of up to 11kW AC—perfect for convenient top-ups at home, work, or public charging points.

Keep Your EV Running Smoothly
Electric vehicles are generally lower maintenance, but regular servicing is key to performance and safety. For the Volkswagen e-Transporter, service is required every 24 months—making it a smart, efficient choice for you and your business.

Peace of Mind, Built In
Like most things in life, electric vehicle batteries are subject to natural wear and tear. That’s why every all-electric or hybrid Volkswagen comes with an EV battery warranty—covering up to 8 years or 100,000 miles (whichever comes first) from first registration. This guarantees your battery retains at least 70% of its original capacity, and the warranty is fully transferable to future owners.

1-Pedal Drive experience
Experience smoother, more intuitive driving with 1-Pedal Drive. This intelligent feature allows you to accelerate and decelerate using just the accelerator pedal—lifting your foot slows the vehicle down smoothly, even bringing it to a complete stop in certain conditions. It’s ideal for stop-start traffic and urban driving, helping reduce fatigue while also enhancing energy recovery through regenerative braking.

Comfort That Fits Your Schedule
With scheduled departure times, your e-Transporter can prepare itself while it’s plugged in—warming or cooling the cabin and battery so it’s just right when you’re ready to go. You can set up to two departure times per day, for each day of the week, using the infotainment system or the Volkswagen app. It’s a simple way to make every journey more comfortable and convenient.

*Charging times may vary depending on factors such as ambient temperature, the age and condition of the battery, the type of charger used, and the vehicle’s current charge level. Quoted charging speeds are based on optimal conditions.

1 Maximum combination weight (vehicle plus trailer load) applies. Maximum gross vehicle weight will vary depending on a number of factors, including optional features, accessories fitted, engine selection and vehicle load. Maximum combination weight and, therefore, maximum gross trailer load is dependent on maximum gross vehicle weight and will vary. Please consult your authorised Volkswagen Van Centre for further information.

2 Unladen weight includes approximately 90% fuel load and 75kg for driver.

3 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories.

RDE2 refers to Real Driving Emissions Step 2.

286PS 70 kWh Electric 1-Speed Automatic	N/A	3,350	1,600 / 2,000	750 / 750	5,350	2,572	778

1 Maximum combination weight (vehicle plus trailer load) applies. Maximum gross vehicle weight will vary depending on a number of factors, including optional features, accessories fitted, engine selection and vehicle load. Maximum combination weight and, therefore, maximum gross trailer load is dependent on maximum gross vehicle weight and will vary. Please consult your authorised Volkswagen Van Centre for further information.

2 Unladen weight includes approximately 90% fuel load and 75kg for driver.

3 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories.

RDE2 refers to Real Driving Emissions Step 2.

Dimensions

		Shuttle Life / Style short wheelbase	Shuttle Life / Style long wheelbase
Wheelbase		3,100	3,500
Vehicle length		5,050	5,450
Passenger and load compartment	length	2,622	3,022
	width	1,331	1,331
	width between wheel arches	1,392	1,392
	height	1,267	1,267
	floor area	TBC	TBC
Side sliding door	width	930	930
	height	1,260	1,260
Tailgate	height	1,276	1,276
Turning circle (wall to wall)		11.9m	13.0m

Please note: Vehicle drawings are not to scale. All dimensions in millimetres (mm), unless otherwise stated. The height measurements listed may vary by ± 50mm depending on model and equipment fitted.

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
