--------------------------------------	--------------------------------------	---------------------------	----------------------	-----------------------	--------------	--	---------------------	------------------------------	-------------------	------------------------

The next chapter.

A new era for Volkswagen Commercial Vehicles sees the Multivan replacing the Caravelle 6.1. With an exterior designed to pay homage to its predecessor and a range of power-trains available, it opens an exciting new chapter. Built with safety and convenience in mind, the Multivan will feature a huge range of digital and connected services as well as over 25 driver assistance systems*.

* Some driver assistance systems are available at an additional cost. Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

An unrivalled **sense of space.**

Inside, The Multivan is more flexible and spacious than ever with a new modular seating system. With space for up to seven seats, the rear five seats can be moved and removed to suit your travel requirements, while the second row can also be fixed in a rear-facing position to create a face-to-face style seating configuration with the optional six seat package.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Lie back, relax and admire the view.

Enjoy the sky above like never before thanks to the panoramic sunroof. Optional on Life and Style models, this impressive sunroof measures nearly 2m². A low emissivity coating helps to reduce light and heat transmission, while creating a well-lit, airy passenger compartment, letting in natural light. What better way to enjoy a sunlit day or starry night?

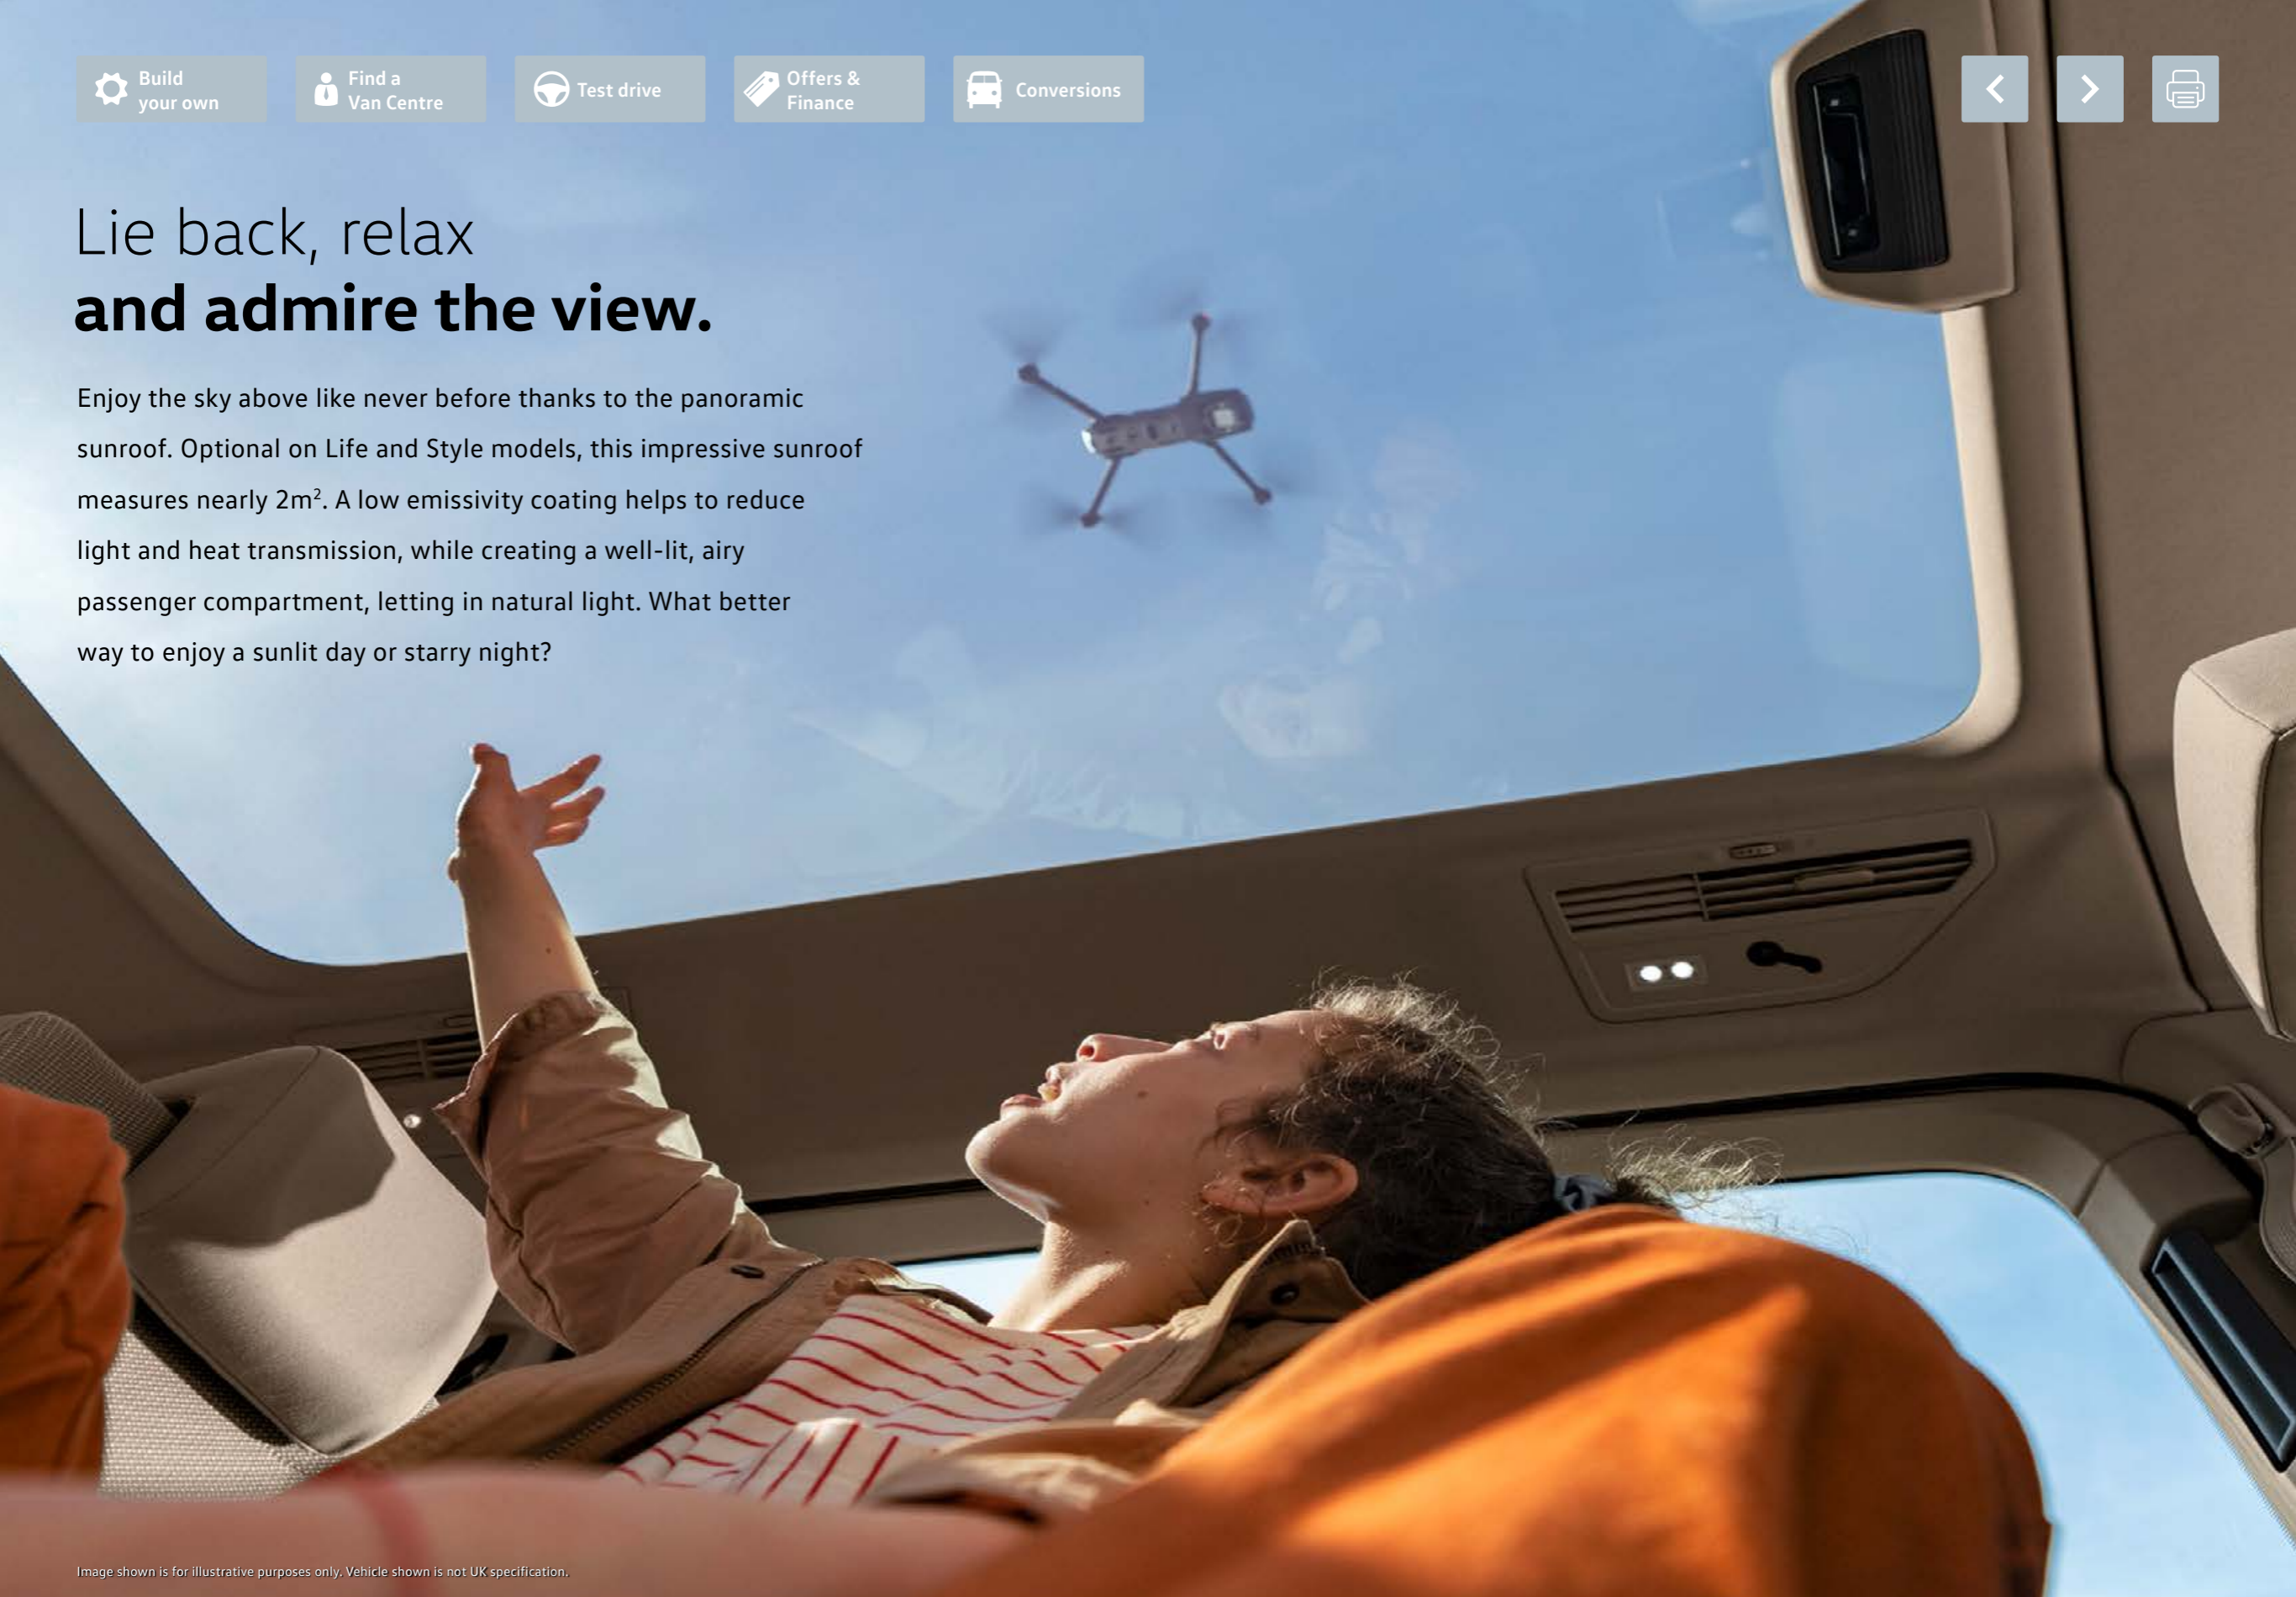

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Innovation meets **practicality.**

The innovative multi-function table has been completely redesigned for the Multivan, and offers many new uses. Using the central track, it can be moved between any of the seating rows, and for the first time can be used as a centre console between the front seats. The table features adjustable height, three cup holders and a storage compartment.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Driving **just got smarter.**

Designed for those who love style and innovation, the spacious interior features a wealth of intuitive controls with the emphasis on safety and ease of use. Depending on which model you choose, advanced features include the Discover Media navigation system with 10 inch touch-screen including 'Streaming & Internet' which allows you to stream services, listen to internet radio and various other infotainment services, touch-sensitive Climatronic three-zone electronic air conditioning and the innovative Digital Cockpit with its high resolution TFT colour display. Easy open side doors and tailgate and five rear seats that can be easily removed for more luggage space, allow easy access and plenty of rear room. The 840 watt sound system by audio specialist 'Harman Kardon' ensures a relaxed driving experience with exceptional acoustics, while LED ambient lighting with a choice of 30 different colours, lets you create just the right atmosphere for the occasion.

We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

With Volkswagen We Connect¹ driving will now be even more digital. The We Connect¹ App connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect¹

BREAKDOWN CALL

In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.

PARKING POSITION

The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.

SERVICE SCHEDULING

You drive – Volkswagen 'Service Scheduling' looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.

EMERGENCY CALL SERVICE

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

We Connect Plus^{1,2}

LOCK & UNLOCK

'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.

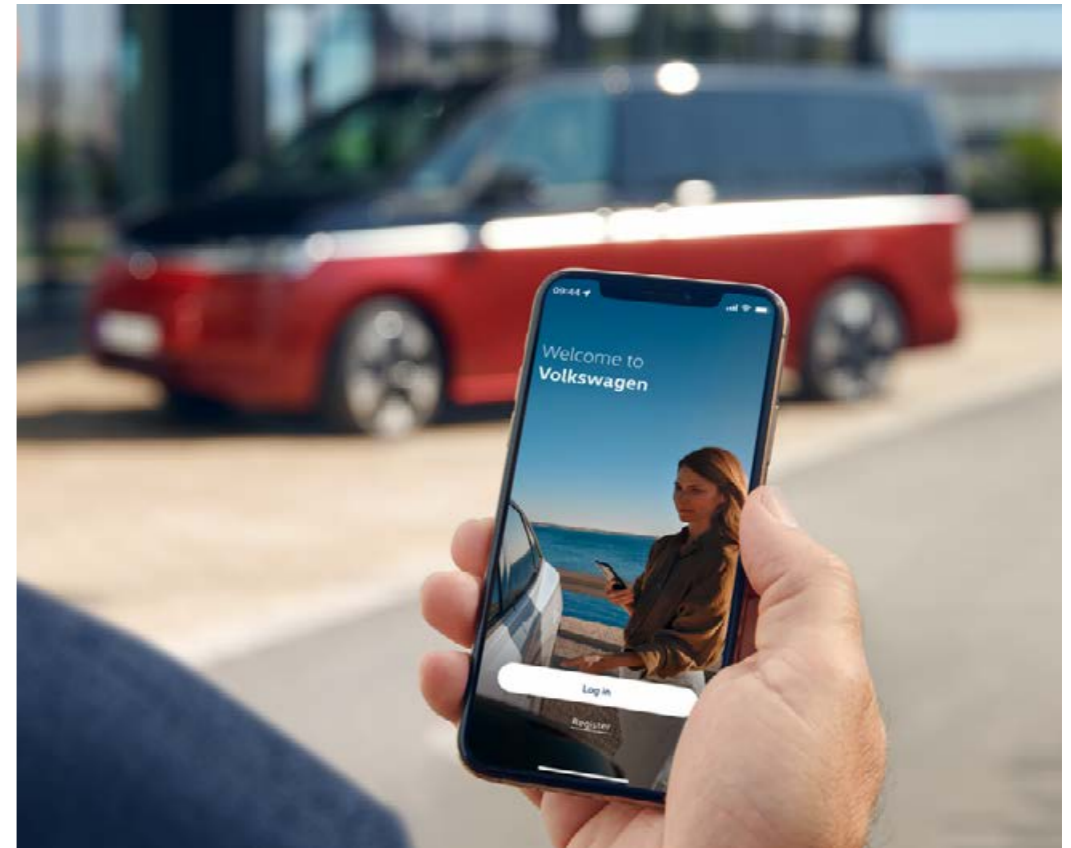

ONLINE ANTI-THEFT ALARM³

Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the 'Online Anti-Theft Alarm' will inform the We Connect app on your smartphone or by email.

EHYBRID

In a plug in hybrid vehicle you can set 'Departure times' to ensure your vehicle is charged and air conditioned shortly before departure. Air conditioning can be **personalised remotely** and you can stop and start charging all through the We Connect app.

¹ To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.
² Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com/en Images shown are for illustrative purposes only.
³ For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. Even more assistance systems for extra peace of mind.

PreCrash preventive occupant protection.¹

The PreCrash preventive occupant protection recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows and deploying the brakes. Optional on all models.

Adaptive Cruise Control (ACC).¹

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, triggers emergency braking when driving up to 18mph. Standard on all models.

Front Assist with Pedestrian Monitoring and City Emergency Braking System.¹

Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations. When necessary, the system will trigger emergency braking when driving up to a speed of 18mph. Standard on all models.

Emergency Assist.¹

Enhances safety when the driver is incapacitated. The system initially reacts to inactivity by emitting a warning tone, vibrating, and then performing a safe braking manoeuvre. Standard on Style models.

Lane Assist.^{1,2}

Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger. Standard on all models.

Car2X.

Communicates wirelessly with other Car2X enabled vehicles, using WLAN (pWLAN) technology to share information and bring you immediate traffic updates. For example, if you're stuck in heavy traffic, the system uses the information it receives to detect when the end of the jam is coming up and get the car's Adaptive Cruise Control ready. The hazard warning system also advises you of impending road works, accidents and emergency vehicles. Standard on all models.

Traffic Sign Recognition.¹

Detects road signs and informs the driver. Optionally available in combination with the Discover Media navigation system including 'Streaming & Internet' or Discover Pro navigation system including 'Streaming & Internet'. Standard on all models.

¹ Within the system's thresholds. ² No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes.

Standard equipment highlights of the Multivan Life.

Interior	Infotainment and technology	Safety and security (continued)	Exterior
Carpet floor covering (reinforced in passenger compartment)	DAB digital radio receiver	Driver and front passenger airbags with front passenger's airbag deactivation	Electrically heated, adjustable and folding door mirrors
Carpet mats in cab	Digital Cockpit Pro	Dynamic road sign display	'Gloss Black' door mirror housings
Decorative trims in 'Dark Silver Brushed'	Mobile phone interface	eCall emergency system	'Gloss Black' radiator grille with two chrome trim strips
Grab handles for driver and front passenger on the A-pillars	Ready 2 Discover infotainment system including 'Streaming & Internet' with 10 inch colour touch-screen and eight loudspeakers	Electric childproof lock	Laminated windscreen, heat and sound insulated
Height-adjustable seats with electrically adjustable lumbar support	Volkswagen App-Connect for Google 'Android Auto' including wireless connection for Apple 'CarPlay'	Electronic Stabilisation Programme (ESP), Anti-lock Braking System (ABS), Traction Control System (ASR), Electronic Differential Lock (EDL) and Hill Hold Assist	LED headlights with separate LED daytime running lights and integrated fog lights with cornering function and LED rear tail light clusters
Leather trimmed multi-function steering wheel with height and longitudinal adjustment and gear-shift paddles	We Connect ¹ preparation	First aid kit, warning triangle and safety vest	Privacy glass in passenger compartment, 2nd and 3rd row approx. 65% tinted
'Ribella' cloth seat upholstery, two-tone in Raven Black/Sand	2 x USB (type-C) ports in the front	High Beam Control	Sliding doors, left and right with power latching
7 x single seats, moveable and removable	4 x USB (type-C) ports in the passenger compartment	ISOFIX (including i-size) and top tether in all seats in 2nd and 3rd rows	Tailgate with window aperture with power latching function inside the tailgate
Comfort and convenience	Safety and security	Lane Assist	Wheels and tyres
Air conditioning, manual with auxiliary pre-heater in the passenger compartment	Adaptive Cruise Control (ACC) with C2X including Front Assist with City Emergency Braking System ²	Lane Change Assist	16 inch 'Syrakus' alloy wheels in Silver with 215/65 R16 tyres
Armrests for front seats and 2nd row seats, removable	Anti-theft alarm system with interior monitoring, back up horn and towing protection	Keyless start	
Centre console, sliding that retracts to passenger compartment to form a multi-function table	Automatic dimming interior rear-view mirror	Park Assist with front and rear parking sensors	
Dynamic headlight range control	Automatic Post-Collision Braking System ²	Rain sensor	
Glovebox, lockable and illuminated	Central locking with two remote control folding keys including interior control and SAFELock	Rear-view camera	
Heated rear window with wiper and washer system	Driver Alert System	Seat belt warning for the driver's and all passengers seat's if unfastened	
Interior noise insulation		Side and curtain airbags for driver and front passenger, curtain airbags for outer seats in rear and centre airbag in front	
Load compartment with bag hooks and luggage net, max load weight 20kg		Single-tone horn	
Storage compartments under the 2nd and 3rd row seats		Tyre pressure loss indicator	
Sun visors with illuminated vanity mirrors and airbag warning label on front passenger sun visor		Windshield wiper intermittent control	
Tyre mobility kit			
1 x 12V sockets on the dash panel			
2 x LED luggage compartment lights			
2 x waste bins in door storage compartment			
12V socket in passenger compartment			

¹ To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.
² Within the system's thresholds.

Standard equipment of the Multivan Style (in addition to Life).

Interior

- Ambient interior lighting – choice of 30 colours
- 'ArtVelours' microfleece seat upholstery, two-tone in Raven Black/Sand with seat bolsters in leather look
- Decorative trims in 'Dark Woodgrain Optic'
- Heated front seats
- Stainless steel pedals

Comfort and convenience

- Climatronic three-zone electronic air conditioning system including allergen filter
- Electrically-operated sliding side doors left and right (Easy open) operated via foot movement under doors
- Electrically-operated tailgate opening and closing function (Easy open), operated via foot movement under rear tailgate
- Heated laminated windscreen
- Interior noise insulation, enhanced
- Sliding windows in sliding side doors left and right
- Surround lighting in door area and tailgate, with logo projection in door area

Infotainment and technology

Discover Pro navigation and infotainment system including 'Streaming & Internet'. 10" colour touch-screen display, including DAB+ radio, App-connect for Apple 'CarPlay' and 'Android Auto' and gesture control

Safety and security

- Emergency Assist
- Keyless entry and start, including Start/Stop button on centre console

Exterior

- Chrome trim decorative strip mid-way on side and rear
- 'IQ. Light' LED matrix dipped and main beam headlights including separate LED daytime running lights and Dynamic Light Assist
- Stainless steel tailgate trim

Wheels and tyres

17 inch 'Dundrod' alloy wheels with Black diamond-turned surface 235/55 R17 tyres

1 Unladen weight includes approximately 90% fuel load and 75kg for driver.

2 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification.

Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories.

Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers). Trailer nose weight: 80kg.

* Please [click here](#) for more details on manufacturer's on the road (OTR) package.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 23.07.2025. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

2 From 1 April 2021, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Recommended 'On The Road' (ROTR) price you pay (in most circumstances, prices will increase). The Recommended 'On The Road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

RDE2 refers to Real Driving Emissions Step 2

Cost of your vehicle

Deposit
As little as one monthly repayment

Monthly repayments
Spread across 18 to 49 months

Optional final payment
You have three choices at the end of your agreement

Own
Hire

Solutions Personal Contract Plan

Not sure if you want to own or hire? Make the decision later. Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

Cost of your vehicle

Deposit
As little as one monthly repayment

Repayments
Spread across 12 to 60 months

Own

Hire Purchase

Make all the regular monthly payments. At the end the vehicles is yours.

Cost of your vehicle

Deposit
As little as one monthly repayment

Rental repayments
Spread across 12 to 48 months

Final 'balloon' repayment

Own

Lease Purchase

Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Cost of your vehicle

Initial rental
As little as one rental repayment

Rental repayments
Spread across 12 to 60 months

Hire

Contract Hire

Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 60 months

Hire

Finance Lease (full pay out)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 48 months

Final 'balloon' repayment
You have two options at the end of your agreement

Hire

Finance Lease (balloon repayment)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

The Multivan

This brochure supersedes all previous publications.

Issue: 4 November 2025

www.volkswagen-vans.co.uk

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Tour Centre at the time of ordering.
