

The ID. Buzz Brochure

Commercial
Vehicles

A new **Volkswagen** generation

We're bringing back an iconic design with the all-electric ID. Buzz. State-of-the-art technologies and a flexible space concept provide mobile comfort that sets new standards.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

The ID. Buzz is **e-mobility** in its purest form

Zero local CO₂ emissions and a long electric range are crucial if an electric drive is to be practical for everyday use. With the ID. Buzz, we have to meet the needs of many different people, and the innovative electric drive in the ID. Buzz makes this possible. The e-motor is accommodated in the rear in a particularly space-saving way and makes towing loads of up to 1,200kg possible. Sustainable, suitable for everyday use and robust: the electric drive of the ID. Buzz combines climate awareness with individual mobility.

Standard equipment highlights of the ID. Buzz Life

Interior
Armrests on inner side of front seats
Carpet floor covering and carpet mats in the front and rear
Decorative trims, black
Door trim panel in plastic with insert, armrest in fabric
Heated front seats
Heated, leatherette wrapped multi-function steering wheel with Hard Key control
Illuminated mirrors in sun visors, with airbag label on sun visor and B-pillar
LED luggage compartment lighting
Luggage compartment cover
Manual height adjustment for both front seats
‘Sonom’ cloth seat upholstery
Standard wheelbase: Five seats, including split folding rear passenger seat bench (60:40)
Long wheelbase: Seven seats, including split folding rear passenger seat bench (60:40) and removable 3rd row
Steering wheel, dashboard and central controls in black
10-colour ambient lighting, and footwell lighting in front and rear
Infotainment and technology
App-Connect including App-Connect Wireless for Apple CarPlay and ‘Android Auto’
Digital cockpit
Digital radio reception (DAB+)
Discover Pro navigation and infotainment system including ‘Streaming & Internet’ with 12.9" colour touchscreen display, including 9 loudspeakers
Voice control
We Connect ¹ preparation
2 x USB-C ports in dashboard, 1 x USB-C charging socket in front passenger area, and 4 x USB-C charging sockets in rear

Comfort and convenience
Bi-directional charging
Buzz Box – removable centre console with storage compartments and mounting points in vehicle floor between front seats
Charging cable mode 3 type 2, 32 A (6 metres length)
‘Gloss Black’ power adjustable, heated and folding door mirrors, with front passenger lowering function
Glovebox, lockable and illuminated
Heated washer nozzles
Heated rear window with wiper and washer system
Heated windscreen
Operating voltage 12 V
Sliding door on the left and right
Surround lighting with logo projector
Windshield wiper intermittent control with light/rain sensor
2 x waste bins in door storage compartment
2-zone Climatronic with enhanced air filter and stationary air conditioning
11 kW AC charging power (alternating current)
Power tailgate (open/closing) with Easy Open and Easy Close

Safety and security
Adaptive Cruise Control (ACC) stop & go with speed limiter ²
Anti-theft alarm system with interior monitoring, back-up horn and towing protection
Auto-dimming rear view mirror
Autonomous Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring ²
Central locking system with keyless locking and starting system, Keyless Advanced with SAFELOCK
Driver alert system with driver monitoring
Driver and front passenger airbags with front passenger’s airbag deactivation
Dynamic road sign display
eCall emergency system

Safety and security (continued)
Electric childproof lock
Electronic engine sound
First aid kit with warning triangle and safety vest
Front and rear seatbelt warning indicator, audible and visual
Lane Assist
Park Assist Pro with memory function including Park Distance Control
Proactive passenger protection system
Area-view camera
Side and curtain airbags for driver and front passenger, centre airbag in front
Speed limiter with intelligent speed control
Swerve support and oncoming vehicle braking when turning
Tailgate latching without unlatching function from inside
Tyre pressure monitoring system
3-point seat belts, outer rear with ECE label
3-point seat belts with seat belt and lap belt pretensioner in front and height adjustment
Front Cross Traffic Assist
Two tone horn

Exterior
Body-coloured bumpers
D-pillar styling badges
Dark tinted rear windows
Illuminated door handle recesses
LED headlights
LED rear combination lights
Rear window
Rear window wiper with intermittent control

Wheel and tyres
Tool kit
19-inch ‘Tilburg’ bicolour alloy wheels, with AirStop® tyres 235/55 R19 105T front, AirStop® tyres 255/50 R19 107T rear

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus, you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.

2 Within the system’s thresholds.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at www.volkswagen-vans.co.uk/en/configurator.html

Standard equipment of the ID. Buzz Style
(in addition to Life)

Interior

- Pedals in stainless steel, with play and pause symbols
- Steering wheel and bezel trim in black
- 30-colour ambient lighting and footwell lighting in front and rear
- Dual armrest for driver and front passenger

Comfort and convenience

- Advanced high-beam control Dynamic Light Assist for LED matrix headlights
- Dynamic headlight range control with dynamic cornering light
- Surround lighting on rear
- Electric sliding doors with Easy Open and Easy Close
- Electric sliding windows in sliding doors (2nd row)

Exterior

- IQ.LIGHT – LED matrix headlights with automatic headlight control, poor weather light, entry lighting
- Illuminated moulding between headlights and illuminated door handle recesses
- LED rear combination lights with dynamic turn signal

Wheels and tyres

- 20-inch ‘Solna’ bicolour alloy wheels, with 235/50 R20 104T XL AirStop® tyres front, and 265/45 R20 108T XL AirStop® tyres in rear

Infotainment and technology

- Head-Up display
- Harman Kardon sound system

Standard equipment of the ID. Buzz GTX
(in addition to Style)

Interior

- Comfort seat on the left and right in 1st row of seats
- Door trim panel in plastic with insert, armrest in leatherette
- Black ArtVelours ECO microfleece seat upholstery with red stitching detail and GTX design
- Pneumatically adjustable lumbar support on both sides
- Power seats in front with memory feature and driver seat with Smart Comfort entry aid
- Black roofliner
- Heated multi-function steering wheel with Hard Key control

Exterior

- Panoramic glass roof – electrically dimmable
- Exclusive GTX grille

Wheels and tyres

- 21-inch bicolour alloy wheels, 8.5J x 21 in front, 10J x 21 in rear, AirStop® tyres HL 235/45 R21 104TXL in front, AirStop® tyres HL265/40 R21 108T XL in rear

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.
Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at www.volkswagen-vans.co.uk/en/configurator.html

Space concept and technology: **freedom reconnected**

Whether in the city or across country, for the whole family or a weekend trip with friends, the ID. Buzz makes sustainable mobility comfortable and practical. We've completely redeveloped the interior concept, which is where digital innovation meets reimagined flexibility.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors, including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 16.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre or Volkswagen Retailer for further information.

RDE2 refers to Real Driving Emissions Step 2.

1 Unladen weight includes approximately 90% fuel load and 75kg for driver.

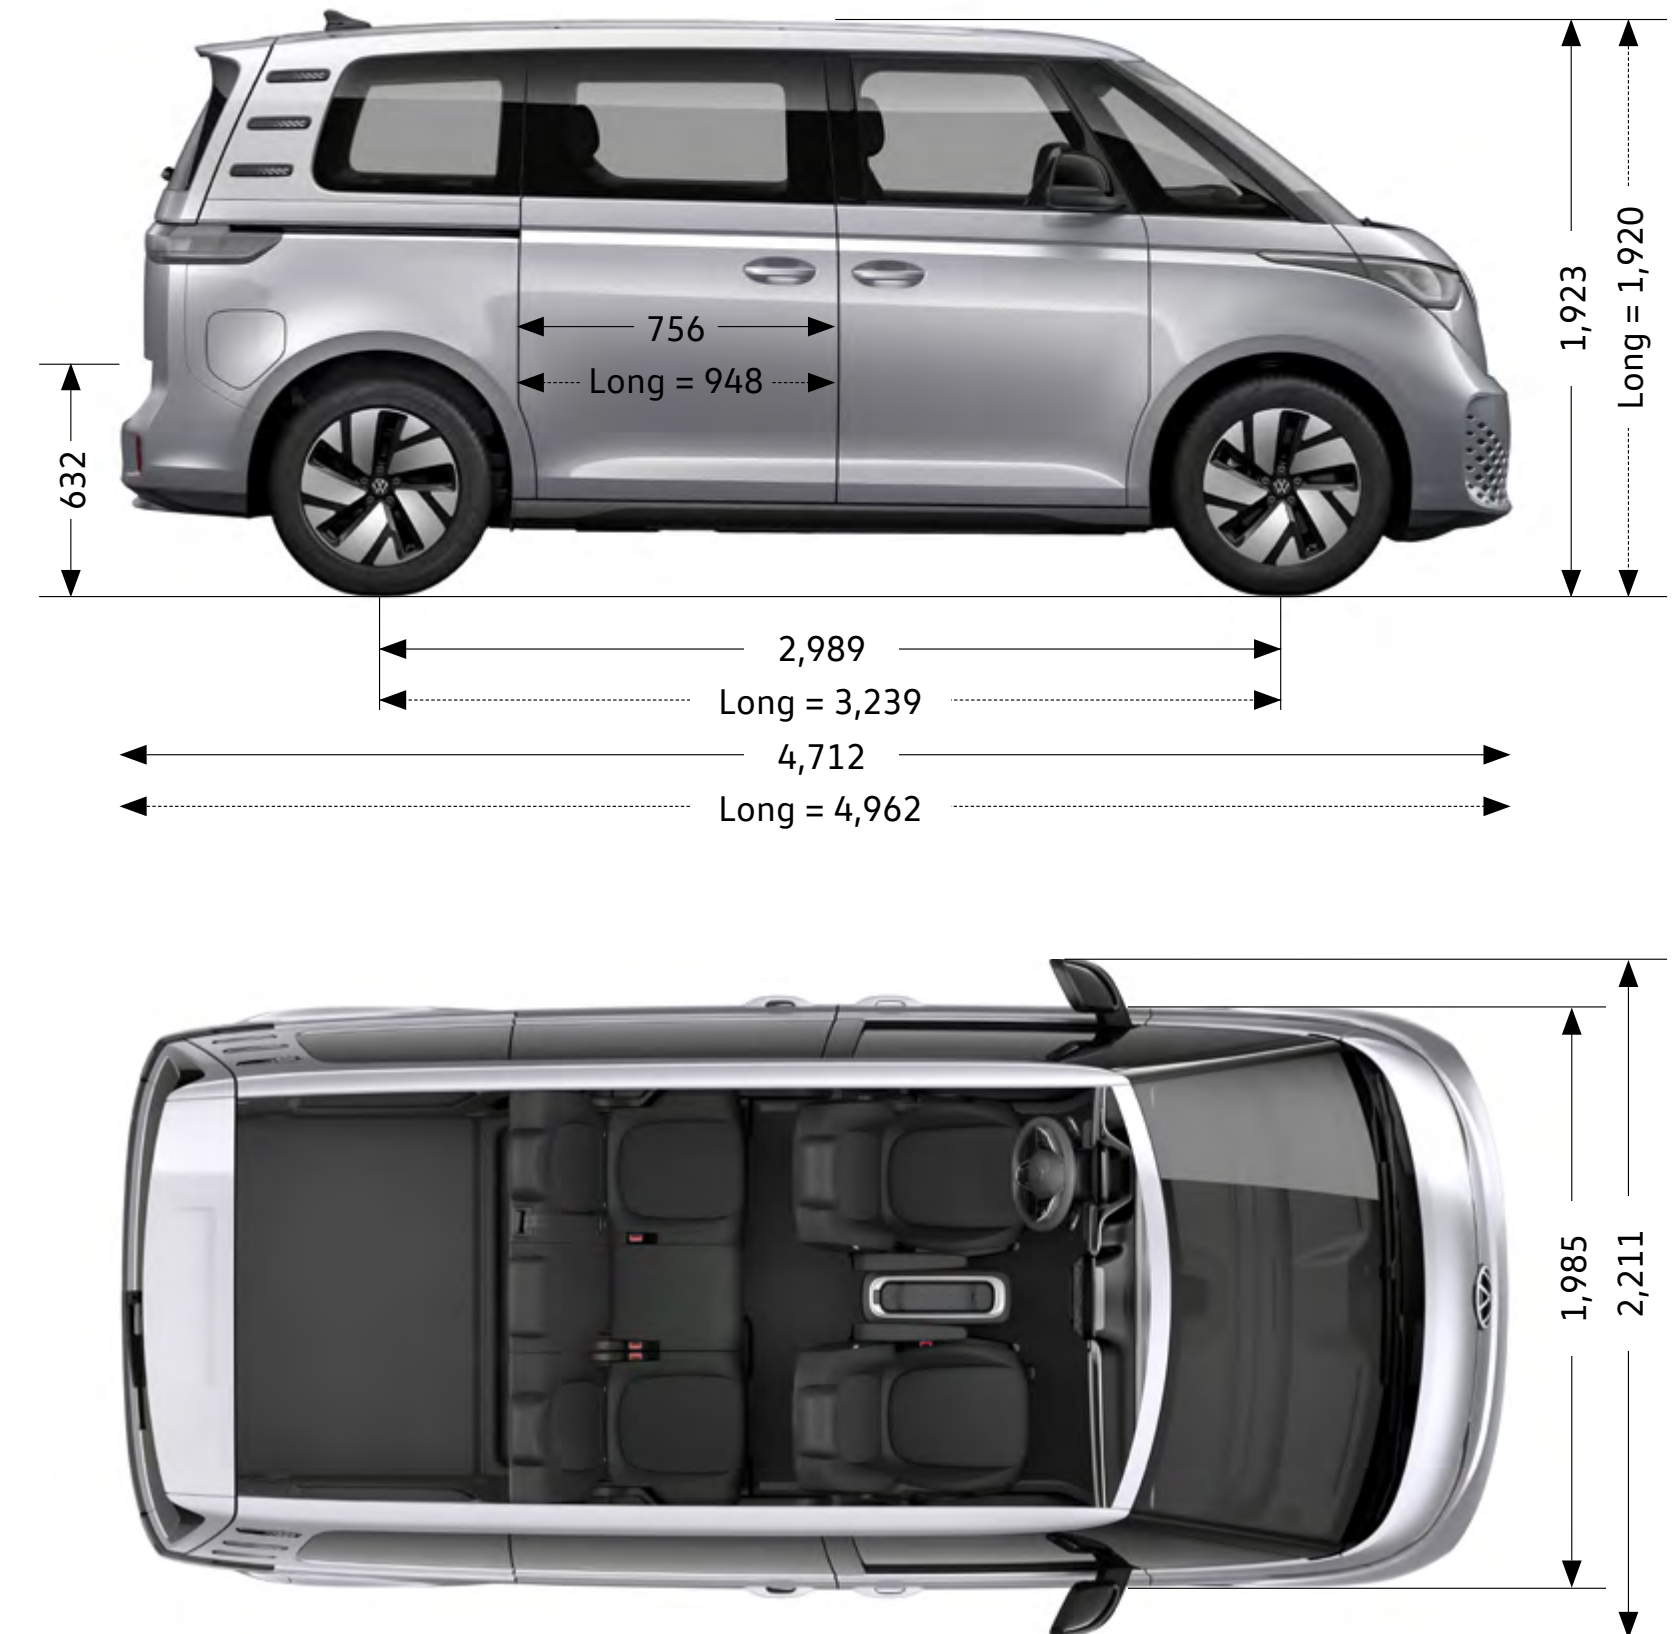

2 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers). RDE2 refers to Real Driving Emissions Step 2.

- 1 Net to energy amount.
- 2 Figures for the Volkswagen ID. Buzz battery electric vehicle. Fuel consumption for battery electric vehicles is N/A and CO₂ emissions are zero while driving. Battery electric vehicles require electricity for charging. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors, including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 16.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre or Volkswagen Retailer for further information.
- 3 From 1 April 2021, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges changed for all passenger car registrations in the UK, due to a change in the method of testing. This affects the Manufacturer Direct Price (MDP) you pay (in most circumstances, prices will increase). The Manufacturer Direct Price (MDP) and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the Manufacturer Direct Price (MDP)). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

All prices shown are Volkswagen Commercial Vehicle UK's Manufacturer Direct Price and may vary from time to time (this includes where there are changes in regulation and/or legislation). Vehicle is sold by Volkswagen Commercial Vehicles UK, a trading division of Volkswagen Group, United Kingdom Limited. Volkswagen Commercial Vehicle UK's Manufacturer Direct Price includes: delivery to retailer, number plates, new vehicle registration fee, the first year's Vehicle Excise Duty and VAT (calculated at 20%). There may be a delay in any price displaying correctly on our website and materials and it is always possible that, despite our best efforts, some vehicles may be incorrectly priced. Always obtain prices from your chosen Van Centre or Volkswagen Retailer who act as agents on behalf of Volkswagen Commercial Vehicles UK. Images shown do not reflect the stated entry level prices.

Finance, insurance, servicing and warranties

Finance¹ and insurance³.

When it comes to paying for your van, we’ve got options including Contract Hire, Solutions Personal Contract Plan (PCP) or Hire Purchase. We can also offer you insurance products with lots of features and benefits included as standard.

A choice of packages².

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that’s perfect for you, we’re here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your authorised Volkswagen Van Centre or Volkswagen Retailer.

Volkswagen Car Insurance³.

Complimentary Volkswagen Drive Away Insurance

Every new and Approved Used Volkswagen comes with five days’ complimentary insurance cover, getting you on the road quickly and easily. Volkswagen Drive Away Insurance is designed specifically for your Volkswagen and guarantees that your vehicle will be repaired in a Volkswagen Approved Repairer. Speak to your authorised Volkswagen Van Centre or Volkswagen Retailer for more details. *Subject to eligibility.*

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Volkswagen Car Insurance offers. Read on for more details.

Volkswagen Car Insurance

Volkswagen Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Volkswagen. Just as you’d expect from Volkswagen, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Volkswagen and relax knowing we only use Volkswagen trained technicians, who know your car inside out, and Volkswagen genuine parts*, giving you the peace of mind that your Volkswagen will be repaired to the same high standards as before and to original manufacturer specifications. We’ll cover your electric car’s battery, whether it is owned or leased, if it becomes damaged as a result of an insured incident. Plus, we’ll cover your electric charging cables and your home charger too, in the event of accidental damage, fire or theft. We will also cover accidents caused by any electric charging cables, when attached to your car. **Excludes windscreen claims.*

To get a quote or find out more, visit [insurewithvolkswagen.vwfs.co.uk/car-insurance](https://www.volkswagen-vans.co.uk/en/finance-offers-and-fleet/offers/aftersales.html)

Alternatively, call us on **0330 678 6329**.

We’re available Monday to Friday 8am–8pm, and Saturday and Bank Holidays 9am–5pm.

Roadside assistance.

We understand the need to keep you mobile. That’s why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work
- Recovery to your preferred location
- Onward travel, for you and your cargo
- Cover 24 hours a day, 365 days a year
- Free cover for three years (on new vehicles)
- Unlimited mileage
- European cover
- Option to extend cover beyond three years

Warranties.

You can count on us long after you purchase your ID. Buzz, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your ID. Buzz is under warranty, we’ll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

For more details, please visit:

www.volkswagen-vans.co.uk/en/finance-offers-and-fleet/offers/aftersales.html

Factory extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more details of cover levels, along with terms and conditions, please visit:

www.volkswagencvwarranty.co.uk where you’ll also be able to obtain a quote and purchase a factory extended warranty.

Paint and body warranty.

Your ID. Buzz’s exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

Vehicle home charging.

Home charging using a domestic socket will depend on the condition and suitability of the wiring in your home. Always consult a qualified electrician before charging when using a domestic socket for the first time, or, if the socket is to be used as the primary source of charging. Domestic sockets on the same circuit as other appliances, particularly those in frequent use, will draw additional amperage which may result in a breaker switch being ‘tripped’. Establishing a separate circuit for home charging will help ensure your electric vehicle is supplied with a consistent, uninterrupted current. For optimum charging, we recommend installing an electric vehicle charging point at home.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it’s full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you’re only around 45 minutes on average from our door.

Battery warranty.

A guarantee for eight years or 100,000 miles/160,000 km (whichever is soonest), on all material or manufacturing defects.

Gradual reduction in battery capacity over time is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner’s manual.

With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen Retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application, etc.) also apply to the high voltage battery.

1 Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales number: 2835230. Volkswagen Financial Services (UK) Limited financial services register number is 311988.

2 An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Volkswagen Commercial Vehicle Financial Services.

3 Volkswagen Car insurance is arranged, underwritten and administered by Liverpool Victoria Insurance Company Limited. Volkswagen Financial Services Limited (VWFS UK) acts as an introducer to Liverpool Victoria Insurance Company Limited in respect of Volkswagen Car Insurance, registered in England and Wales Company Number 2835230 (Registered Office Address: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). VWFS UK is authorised and regulated by the Financial Conduct Authority, registration number 311988.
