# THE SPORTLINE

Image for illustration purposes only and may not reflect production vehicle. Vehicle shown is Transporter Sportline kombi van.

## Sportline equipment highlights

### Exclusive Sportline styling

- 19" premium diamond-cut alloy wheels with exclusive etched spoke detailing and Sportline centre caps
- 'Eibach' 29mm suspension lowering springs
- Hand-crafted eco-leather sports seats with 'Sportline' embossing and red stitching
- Aggressive dogbone-style front bumper design
- Sculpted rear bumper
- Sport-profile rear spoiler with gloss black finish
- 'Sportline'-branded gloss black mirror caps
- Gloss black grille with 'Sportline' signature red line
- 'Sportline' badging on rear tailgate
- Black roof rails
- Gloss black side skirts
- 'Sportline' carpet mats

Sport-profile rear spoiler with gloss black finish

'Sportline' badging on rear tailgate

### Sportline equipment highlights

#### Superior specification

- IQ Light LED Matrix headlights with coming home and leaving function
- Dynamic Light Assist
- Power-adjustable, heated and power-folding mirrors
- Heated leather steering wheel
- Footwell lighting in cabin
- Illuminated metal scuff plates in cabin
- High-gloss black display frame
- Sun visor with illuminated mirror
- Keyless Access with SAFELOCK
- Area view camera
- Rear tailgate
- 70l fuel tank (TDI only)

#### Kombi only

- Carpet flooring in cab
- Wide centre console with two fixed cup holders and compartment with cover
- Dual sliding door
- Three individual seats in 2nd row (folding, removable)

# THE TRANSPORTER SPORTLINE

### Now with the 5 Plus Promise included

The Transporter Sportline comes with Volkswagen 5 Plus Promise as standard. Featuring 5 services + 3 MOTs, 5 years' Warranty and 5 years' Roadside Assistance for added peace of mind.

## 5 PLUS PROMISE

- 5 SERVICES + 3 MOTs
- 5 YEARS' WARRANTY
- 5 YEARS' ROADSIDE ASSIST

For diesel and eHybrid models, covers first 5 consecutive services, limited to 5 x Oil & Inspection Service, 5 x Pollen filters, 3 x MOTs. For electric models, covers first 3 consecutive services, 3 x Pollen filters, 3 x MOTs. Additional work, including wear and tear, is excluded. Warranty: earlier of 5 years or 124,000 miles. Servicing must be carried out in line with the requirements of the service schedule and all servicing and warranty work must be carried out at a Volkswagen Commercial Vehicle Authorised Repairer. Warranty exclusions apply (including shorter warranty period for components subject to wear and tear, mechanical adjustments (6 months/6,500 miles) and windscreen (1 month/600 miles). Roadside assistance: excludes costs of parts, garage, labour or other costs in excess of specified limits. Other limitations & exclusions apply. See Roadside Assistance Handbook for full details [https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub\\_nfz/importers/gb/downloads/roadside\\_assistance\\_handbook.pdf](https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub_nfz/importers/gb/downloads/roadside_assistance_handbook.pdf). Servicing & MOTs administered by Volkswagen Commercial Vehicle Financial Services. Warranty administered by Volkswagen Commercial Vehicles UK. Roadside assistance administered by AA.

\* Please [click here](#) for more details on manufacturer's on the road (OTR) package.

\*\* The Plug-in Van Grant (PiVG) is a grant currently offered by the Office for Zero emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of ultra-low emission vehicles. The e-Transporter Sportline is currently pending eligibility approval for this scheme. If the e-Transporter Sportline becomes eligible for the PiVG, then customers purchasing an e-Transporter Sportline will receive 35% off the purchase price, up to a maximum of £5,000 (subject to an overall limit of 1,000 van or truck grants per business or organisation, across all manufacturers, each year being 1 April - 31 March. The £5,000 grant has already been deducted from the 'Total RRP inc. OTR inc. VAT inc. Plug-in Van Grant (eligibility pending)' price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is ultimately not applicable, withdrawn, or eligibility for the grant or the grant amount changes, for any reason, or the annual limit is exceeded). Your authorised Volkswagen Van Centre will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen Van Centre or visit [www.gov.uk/plug-in-car-van-grants/overview](http://www.gov.uk/plug-in-car-van-grants/overview). The Government Plug-in Van Grant (PiVG) is applicable to UK sales only (excludes the Channel Islands or Isle of Man). Vehicle eligibility and grant figure correct as at 01.04.2026.

**Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.**

Kombi	286PS 70 kWh Electric 1-speed Automatic	LWB	3,225	2,000	5,225	2,532	693

<sup>1</sup> These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO<sub>2</sub> emissions and driving performance values.

<sup>2</sup> Maximum combination weight (vehicle plus trailer load) applies. Maximum gross vehicle weight will vary depending on a number of factors, including optional features, accessories fitted, engine selection and vehicle load. Maximum combination weight and, therefore, maximum gross trailer load is dependent on maximum gross vehicle weight and will vary. Please consult your authorised Volkswagen Van Centre for further information.

<sup>3</sup> Unladen weight includes approximately 90% fuel load and 75kg for driver.

<sup>4</sup> Payload = gross vehicle weight minus unladen weight (including driver). Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 170kg. Drawbar load limit: 100kg.

Where additional equipment is required by chosen options, this will be at additional cost. See the relevant option for recommended pricing or consult your local authorised Van Centre. Some options may not be compatible with other options. To check the availability of your chosen options, please use our configurator or consult your local authorised Van Centre.

**Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.**

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
